Peony

Sarah Bernhardt

New Everblooming Hydrangea

THE
DINGEE & CONARD CO.
WEST GROVE, PA.

Otaheite Orange

This is, beyond question, one of the most satisfactory plants for pot culture in our collection. It is a dwarf reproduction of the genuine fruit-bearing Orange tree, the flower being identical. It flowers and fruits in pots, is exceedingly floriferous, blooming almost continuously. The fragrance of the flowers is simply delicious, and with one or two plants one can have a generous supply of highly prized and much coveted Orange blossoms. It fruits immediately after flowering; the fruit measures about three inches in diameter, and while not so strongly flavored as an ordinary Orange, it is quite edible, the difference being but slight. On a single plant, twenty inches high, one hundred and sixty-four buds have been counted. Price, strong potted plants, 35 cts. each; 3 for \$1.00. Enormous 2-year-old plants for 6- or 8-inch pot, \$1.00 each, postpaid.

OTAHEITE ORANGE

American

Wonder Lemon

Large, dark green foliage; handsome, pure white flowers, with yellow stamens, nearly as large as tuberosa blossoms, fragrant as orange blossoms. The lemons have a thin rind for such large fruit, and are full of rich acid juice. Plant in ordinary soil, in a pot or tub, and it

will bear each season a fine crop of superb Lemons. Strong plants, 25 cts. each; 5 for \$1.00. Two-year-old plants, 75 cts. each, postpaid.

Rubber Plant—Ficus Elastica

Will flourish under the most unfavorable conditions, and responds most readily to good treatment. Its thick, glossy foliage is exceedingly attractive and free from insect pests. Strong plants, 12 to 15 inches high. \$1.00 each, postpaid.

1925 1850

Seventy-five Years Growing Roses

We are sometimes apt to extol our virtues too often in writing an introductory, so we only wish to assure each and every one of our many customers and friends that the high quality of our goods is being maintained, and to reprint here only a few of the many complimentary letters received from old as well as new customers, the past season which speak for themselves. Your experience may be the same as these, there is no reason why it should not, as we are better equipped today than ever to handle your orders in the same careful manner.

Our motto of this lifetime in a business has been an honest dollar's worth of good goods for every dollar sent us. We are all human and will sometimes make mistakes, but when one is made in filling your order, write us and we always endeavor to adjust them to the best of our ability. No matter how large or small your order is, it receives the same careful attention.

We solicit your order because of the assurance that it will be filled right. We have been, and expect to be, in business too long to knowingly make of you a dissatisfied customer.

The bulbs offered here are the first ones to bloom in the spring. Even before the last drift of snow is gone the Crocus and Daffodils raise their bright faces to herald the coming of spring. Don't miss their pretty blooms.

Very respectfully,

The Dingee & Conard Co.

West Grove, Penna.

The Leading and Oldest Rose Growers of America.

Gentlemen:

I am sending a small order for seed. Your Rose book has given me much pleasure and I hope to send you an order for Roses soon.

I learned of your house from a friend at Avalon, Texas, who grew many beautiful Roses, all bought from you. Her mother before grew Dingee & Conard Roses. She had helped her mother plant Roses fifty years ago—and they are still blooming. That seemed impossible to me until I read your "Dingee Roses."

Very truly,

Mrs. Randolph C. Berry, Texas.

Gentlemen:

Please find enclosed money order for Roses, 1-year-old growth, to be sent by parcel post with earth around the roots.

Your Winnie Davis, Paul Neyron, Bride, Mrs. Robert Peary, and others have bloomed for me more than fifteen years, and I cannot estimate the admiration and pleasure they have given.

Sincerely,

Annie Surghnor, Md.

THE DINGEE & CONARD CO.,
West Grove, Penna.

Gentlemen:

I am very anxious to have a Charles Dingee Rose included in the Trial offer. I saw one of the most beautiful bouquets of Roses in our church last fall that I ever saw and as a lover of Roses I inquired the name and found it to be the Charles Dingee.

Yours very truly,

Mrs. Clyde Grove, Pa.

INFORMATION FOR CUSTOMERS PLEASE NOTE CAREFULLY WHEN ORDERING

OUR TERMS ARE CASH WITH ORDERS.—Money may be sent at our risk by Personal check, Post Office Money Order, Bank Draft, Express Money Order, money in registered letter. Stamps, in small amounts only acceptable.

LOST ORDERS.—After a reasonable time, if you do not hear from your order, please write us again, giving a duplicate of the order, stating when and by what method remittance was made, and we will promptly investigate. If remittance is made by money order or bank draft, a duplicate can be secured.

USE ORDER BLANK.—We enclose with each book an order blank, and we prefer that the order be written thereon. In writing regarding an order always give former (if one) address. **CANADIAN AND FOREIGN POSTAGE STAMPS** will be returned, as they have no value here.

CANADIAN CUSTOMERS.—Canadian laws permit sending dormant or two-year-old Roses or Shrubs into Canada at any time, but a permit must be secured from the Secretary of the Destructive Insect and Pest Advisory Board, Department of Agriculture, Ottawa. All other goods, including Roses grown in pots 3 inches or less in diameter and under glass, are admitted at any time. Owing to the rate of postage on Canadian orders we must request an additional 20 per cent to cover postage.

FOREIGN ORDERS.—Twenty per cent extra should be added to orders going outside of United States or its colonial possessions, to pay extra cost of packing and postage. To countries with which we have a parcels post, goods can be sent by mail. They also can be sent by express, but the person ordering must give the name and address of some one in New York who will receive the goods, prepay the ocean charges, and forward them. We pack lightly and safely, and the charges, even to the most distant points, are very reasonable.

OUR GUARANTEE is the best that can be given by any reputable firm, to deliver goods to you in good growing condition, and failing therein, to replace them immediately and if not satisfactory to so notify us at once, and any mistake or dissatisfaction will be adjusted. Dingee Roses have given universal satisfaction for over half a century. But we give no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds, plants or bulbs we send out and we will not be in any way responsible for the crop, or do we guarantee that blooms will always be as described. If the purchaser does not accept the goods on these terms they are at once to be returned.

PARCEL POST.—All goods offered in this book, except two-year-old Roses and Shrubbery, which are sent by express at purchaser's expense, are at postpaid prices, and will be sent that way unless otherwise ordered or in our judgment it would be best to send them by express prepaid. Parcels weighing fifty pounds can now be sent by Parcel Post. We, however, reserve the right to send it the best and cheapest method.

PARCEL POST C. O. D.—If you desire your order, no matter how small, sent C. O. D. by Parcel Post, we can do so, provided customers remit one-half the amount with the order, at an additional cost of 10 cents and the small fee for the money order, which is 5 cents up to \$2.50, 7 cents up to \$5.00, making it much cheaper than by express, as you have the express charges and additional charge of returning money. Thus if your order amounts to \$1.50 we will send it C. O. D. by Parcel Post if you desire, and the amount collected by the Postmaster upon delivery would be only \$1.55.

Dingee Hyacinths Sure to Bloom

Special Exhibition Size

We offer enormous or exhibition size bulbs, 8 inches or more in circumference, of the following magnificent varieties. Bulbs sufficient for a 6-inch pot. Produces an immense bloom of brilliant shades. Particularly adapted for winter blooming indoors, making a handsome pot or decorative plant. Fine for outdoor planting. **Price, 30 cts. each; \$3.50 per doz., postpaid.**

La Victoire. Crimson; best of its color.
Gertrude. Dark rose.
Queen of the Pinks. Clear pink; late.
King of the Belgians. Bright scarlet.
General Vetter. Blush white.
L'Innocence. Pure white; early.
Grand Maitre. Deep lavender.
King of the Blues. Rich dark blue.
Perle Brilliant. Blue-tinted lavender.
Queen of the Blues. Porcelain blue.
City of Haarlem. Golden yellow.
Lord Balfour. Lilac shaded violet.

Our First Size Hyacinths

Our Hyacinth Bulbs are the very cream of the stock grown by our specialists in Holland, and are guaranteed to be large, solid, healthy bulbs, which will be sure to bloom profusely for you next spring and fill your garden with a foretaste of the glory of the coming summer. The varieties here listed are the very best of all the long list produced in Holland, selected with scrupulous care with the desire to offer our friends the very best of their kind.

Indoor Culture. Plant in pots or boxes, using ordinary garden soil, any time from September to February. Plant about two inches deep. Water thoroughly and put away in a dark, cool place until signs of growth commence, then bring into the light and heat. For holiday blooming, pot early in September, and for a succession of bloom, plant at intervals of about two weeks. To grow in water, place the bulbs in glasses and fill with clean water; leave them in a dark, cool place until the glass is well filled with roots, then bring to light.

Open-Ground Culture. Select a warm, sunny location. Ordinary garden soil, enriched with well-rotted stable manure, spaded to a depth of 12 inches, will suffice. Plant the bulbs 5 inches deep and 6 or 7 inches apart. Set out any time from September until severe freezing weather. While not required, it is better to give winter protection—before the ground freezes, cover the beds with material such as leaves, straw, pine branches, etc., to a depth of four inches. Do not uncover too early in the spring.

Single Blue and Purple Shades

Price, 25 cts. each; \$2.50 per doz., postpaid.
Enchantress. Porcelain blue.
Leopold 2nd. Lilac center, blending a darker blue.
Johan. Light blue, shaded lavender; enormous.
Grand Maitre. Deep lavender blue; extra large.
King of the Blues. Deep purplish blue; close spike.
Mary. Dark purplish blue; splendid.
Queen of the Blues. Exquisite azure-blue; handsome.

Single Red and Rose

Price, 25 cts. each; \$2.50 per doz., postpaid.
Cardinal Wiseman. Pink; enormous spikes.
Gigantea. One of the very best soft rose varieties; very large truss of closely set bells.
Moreno. Immense; deep pink.
Lady Derby. One of the finest pink Hyacinths, first-class.
La Victoire. Crimson; best of its color.
Gertrude. Bright rosy red; excellent spike; very distinct.

Bloom of Exhibition Size Hyacinth

Single White and Blush

Price, 25 cts. each; \$2.50 per doz., postpaid.

Dutch Roman or Miniature Hyacinths

Fine for winter blooming, as they are delightfully fragrant, bloom early, all single flowers. Plant close—about ½ inch apart. Can also be planted outdoors.

Price, postpaid, 10 cts. each; \$1.00 per dozen.
 Mixed white. Mixed red. Mixed blue.

Dingee Surpassing Quality Tulips

The dazzling beauty of the Tulip family is so well known that it is hardly necessary to further extoll its merits here. The brilliancy of colors when arranged in masses in the garden, on the lawn or grown indoors in pots or boxes, makes the Tulip an object of striking beauty; indeed, for wealth of bizarre color effects, it even surpasses the hyacinth. Plant plenty of them—they are so inexpensive; in early spring, almost before the last snows of winter are gone, the gorgeous colors of their flowers will add a wonderful air of cheerfulness to your home surroundings. They are entirely hardy in the open ground, and should be planted about 4 inches deep and 4 inches apart. For indoor culture plant them 3 inches deep.

Pot them and set away in a dark, cold place for three weeks or more, then bring to the light and treat same as other plants. Three bulbs in a 4-inch pot or crock, and 6 to a 6-inch pot, for a good effect.

Like all Dingee bulbs, our offerings in Tulips are the best, both as regards quality and variety. No "seconds"—each bulb is guaranteed to be a good, sound blooming bulb of the first size, or your money back.

Named Single Early Tulips

Extra strong, guaranteed bulbs, 7 cts. each; 75 cts. per doz. (except where otherwise noted); \$6.00 per 100 (postpaid).

Belle Alliance. Rich, glowing scarlet.

Double Tulips Grown in Holland

As
Showy
As the
Peony

Darwin Tulip "The Sultan"

Breeder Tulips

These are the unbroken forms of the old Dutch gardeners, who discarded them on account of the even color, having no stripes or feathers. Recently they have come into great demand and are the most sought after variety today. In no other strain do we find such wonderful deep tints, ranging between maroon, purple and terra cotta. They produce enormous flowers on tall stems like the Darwins, and bloom about the same time. 8 cts. each; 80 cts., doz., postpaid.

Cardinal Manning. Rosy-violet, tinged with salmon and bronze.

Bronze King. Orange-yellow, shaded bronze.

Grand Maitre. Purplish-violet.

Jaune d'Oeuf. Ruddy apricot with yellow edge.

Mon Tresor. Brown carmine red.

Mary Holles. Rosy-red.

Media. Salmon-carmine.

Prince of Orange. Orange-red edged light red.

Alcida. Sulphur-yellow tipped brown.

Queen Alexandra. Pure yellow shaded bronze.

Gerarda. Brownish orange, gold orange inside.

Gorgeous Darwin Tulips

The Giant Tulip. Coming into bloom after all the other varieties are done, and by planting these one may have a continuation of blooms for several weeks. They produce great bowl-shaped flowers on tall stems from 2 to 3 feet high. The brilliancy and variety of coloring is beyond description. The most beautiful of all Tulips. Excellent for cutting. Plant liberally of them. We offer the choicest of all varieties.

Magnificent extra-large bulbs, 7 cts. each; 75 cts. per doz.; except where otherwise noted, by mail, prepaid.

Baron de la Tonnaye. Carmine-rose pink, fading to soft pink.

Pride of Haarlem. Brilliant deep salmon, shaded with scarlet.

Gretchen (Margaret). Large-flowering; outside soft blush; inside blush-rose.

Kate Greenaway. Big flower of white, suffused lilac.

The Sultan. Large flower of maroon-black.

Glow. Brilliant scarlet, a strong, lasting flower.

Harry Veitch. Dark brown-red.

Prof. Rawen hof. Cherry red; extra fine.

Dream. Lilac; large blooms.

Europe. Bright rosy-red; white center.

Clara Butt. Soft salmon-pink, tinged blush.

Psyche. Bright rose.

La Tulipe Noire. The darkest of all Tulips.

Yellow Darwin. Pure buttercup yellow.

SPECIAL MIXTURE of Darwin Tulips, unnamed varieties, including a wide diversity of colors and shades. 60 cts. per doz.; \$4.50 per 100, postpaid.

Special Offer F-20

One each of thirteen Darwin Tulips, 80 cts.

PARROT TULIPS

Have the most distinct shapes and markings of any; the striking beautiful colors range through shades of golden yellow, green, crimson-striped, deep crimson, yellow, etc.

Fine large bulbs, sure to bloom, 7 cts. each; 70 cts. doz., prepaid.

Belle Jaune. Pure yellow.

Cafe Brun. Coffee color, yellow.

Constantinople. Handsome red.

Markgraaf von Baden. Red and orange.

Feu Brilliant. Glossy crimson.

Monstre Rouge. Deep crimson.

Perfecta. Yellow and red.

Superfine Mixture. All colors. 6 cts. each; 65 cts. per doz.

Special Offer F-21. Set of seven Parrot Tulips, one of each, postpaid, for 35 cts.

BYBLOOMS and BIZARDS

We desire to call special attention to the Byblooms, Bizards and Breeder types of Tulips, of which we offer a fine collection. These merit more general recognition from the vast army of flower lovers. Their bloom somewhat resembles that of the Gesneriana, and they wear all the gorgeous livery of their species. They attain a height of from one to two feet, the stems often branching and producing several large blooms. Their flowering period is later than the other sorts, which is a point in their favor.

Byblooms Mixed. All white ground.

Byblooms. Violet ground.

Bizards Mixed. All yellow ground.

Byblooms Mixed. All rosy colors.

Byblooms and Bizards Mixed. All violet colors. 7 cts. each; 75 cts. per doz., postpaid.

Special Offer F-22 For 75 cts. we will send, postpaid, one each of the nine Breeder Tulips.

Hardy Narcissus or Daffodils of Spring

The Narcissus is most desirable for house or garden culture, and should be treated in the same manner recommended for the Hyacinth. Three or four bulbs may be grown in a single pot. In the garden they may be planted in any out-of-the-way place, where they will continue to thrive and bloom year after year without any care or attention, and will be among the first to respond to the fitful blandishments of early spring. The family is an extensive one and remarkable for its novel diversity of types and colors, in the selection of which our efforts have been to secure the finest specimens. Our bulbs are grown for us by our own special grower on the Isle of Gurnsey; they are the best. First Quality Bulbs, sure to bloom. Prices include postage. This is the last year we will be able to import these bulbs owing to the quarantine placed on them by the Agricultural Dept., Washington.

Single Varieties

Price of single or double varieties, except where otherwise noted, 10 cts. each; \$1.00 per doz., postpaid.

King Alfred. The perfect Narcissus. Color of perianth and trumpet is a pure golden yellow. Flower large and perfect shape. Stems very tall and strong. The most beautiful variety. Price, large bulbs, sure to bloom, 25 cts. each; \$2.50 per doz.

Golden Spur. Large, spreading, full, deep rich yellow perianth and trumpet. A charming, richly perfumed flower, and one of the very best of the Golden Trumpets, flowering early and freely.

Emperor. Trumpet large, rich yellow, surrounded with deep primrose petals.

Maximus, or Vase of Beaten Gold. Very early. Immense flowers of deepest, richest yellow.

Glory of Leiden. Long, large, fluted trumpet of rich yellow; full, broad, overlapping petals of bright yellow. 12 cts. each; \$1.20 per doz.

White Lady. Large white perianth, yellow cup.

Stella. Large white perianth petals, with golden-yellow cup, star-shaped.

Sir Watkin. Rich sulphur-yellow; orange-tinged trumpet.

Mme. de Graff. One of the largest and finest of white trumpet Daffodils is perianth pure white; trumpet opens primrose, but turns white in a day or two; a most refined and beautiful flower of graceful carriage; strong grower; height, 16 inches.

Trumpet Major. Extra large; golden-yellow trumpet and petals.

Lucifer. Long creamy, white petals. Star-like perianth, long straight, orange cup. Very handsome bloom.

Bicolor Victoria. A new variety, perianth creamy-white, trumpet rich yellow, delicately perfumed; unsurpassed for pot culture and always satisfactory out of doors.

Glory of Sassenheim. Strong, robust growth, with fine large flowers; the perianth snow-white, trumpet rich yellow, serrated and flanged at the edges; one of the best bicolors and of rare beauty for cutting. 15 cts. each; \$1.50 per doz.

Dingee Narcissus

Double Varieties

Price of big, sound bulbs, 10 cts. each \$1.00 per doz., postpaid.

Orange Phoenix (Eggs and Bacon). Double white flowers; centre orange and white.

Von Sion. Large, double, rich golden-yellow trumpet flowers. One of the very best for house culture and outdoor culture. Specially selected double-nosed bulbs, far superior to the average bulb.

Superfine Mixed

Superb mixture of all sorts. Double and Single and all colors. 8 cts. each; 80 cts. per doz.; \$6.00 per 100, postpaid.

Special Offer F-23 Set of 15 Narcissus, Single and Double, one of each variety, \$1.50; 3 of each, 45 in all, \$4.50, prepaid.

Jonquils

A branch of the Narcissus family, requiring the same treatment. Twelve bulbs in a 6-inch pot will make a wondrous show in the house.

Single. Rich yellow; very fragrant. 60 cts. per doz.; \$4.00 per 100.

Double. Extra fine; deep yellow. 60 cts. per doz.; \$4.00 per 100.

Campanelle Mixed. Large yellow flowers; rich and very striking. 60 cts. per doz.; \$4.50 per 100.

Poet's Narcissus

Roman Hyacinths

Exquisite for Christmas blooming. May be grown in pots or glasses the same as Hyacinths.

First size bulbs, sure to bloom, 8 cts. each; six for 45 cts.; 90 cts. per doz.

Single White. Waxy white.

Single Blue. Dainty, beautiful.

Double Dark Pink. Large bells; handsome, effective.

Special Offer F-24 Set of 3 named Roman Hyacinths, described above, for 20 cts., postpaid.

Camassia

Esculenta. Exceedingly pretty star-like flowers of about two inches across. Two to three feet high. Give the bulbs the same treatment as hyacinths. **Three for 10 cts.; 35 cts. per doz., postpaid.**

Leichtlinii. Deep blue, 4 feet. Finest flowers in great profusion. **10 cts. each; \$1.00 per doz.**

TRILLIUM

(Wake Robin or Wood Lily)

Interesting and handsome perennial herb, hardy and useful for spring flowering in wild border. Plant in rich, moist places; partial shade.

Ovatum. Flowers open pure white, gradually tinge pink and finally become deep purple. **10 cts. each; 6 for 50 cts.**

Sessile Californicum. Strong plants, 12 inches high. Flowers pure white, purple centers. **10 cts. each; 6 for 50 cts.**

Sessile Rubrum. Deep maroon-purple to reddish purple. **6 cts. each; 6 for 30 cts.**

Poet's Narcissus (Pheasant's Eye)

A clump should be in every garden among the shrubbery or in the grass. Needs no protection during winter, blooms very early. Can be readily grown in the house.

Poeticus. White flowers with orange cup. **6 cts. each; 60 cts. per doz.**

Poeticus Albo Pleno. Double, white, scented flowers. **6 cts. each; 60 cts. per doz.; \$4.00 per 100.**

Poeticus Ornatus. Very large, pure white flowers, beautifully formed eye. **5 cts. each; 50 cts. per doz.**

New Hardy Cluster-Flowered Daffodils (Narcissus-Poetaz)

In the manner of producing their flowers in clusters, and in extreme free-flowering qualities, they possess all the merits of the Polyanthus type. Make splendid beds or clumps in borders and are easily flowered in the house in winter.

Aspasia. Perianth pure white, yellow eye, large flowers (4 to 5).

Elvira. Very free flowering, producing a number of stems to a bulb, each bearing three to four flowers: color clear white with yellow eye. Either variety, **8 cts. each; 80 cts. per doz.**

Anemones (Windflower)

Lovely hardy plants 12 to 18 inches high producing brilliantly colored poppy-like flowers of red, blue, white, etc., stamens blue. Bloom early in spring to June. If planted in fall will bloom in the spring, or planted in spring will bloom during the summer. For pot culture winter blooming treat same as hyacinths and tulips.

French Giant Poppy-flowered. Unsurpassed for pot culture. The flowers are large, cupshaped and gorgeously colored. **7c each; 70 cts. per doz.**

Roman Hyacinths

Dingee's Early-Blooming Crocus

Since the poet sang "A soft breeze kissed the expectant morn, a bluebird sang a witching strain, a crocus bloomed and Spring was born," this charming little flower has been noted as the first of the Spring-time. The attractive flowers mark the coming of Spring and, with their beautiful shades, tone the deepening green of the lawn. It is entirely hardy; left undisturbed, will continue to bloom each year.

The best results with Crocus are obtained when they are given a rich, dry soil and sunny location. The bulbs should be planted about three inches deep, 2½ inches apart; set singly or massed in beds. A favorite plan is to raise the soil with a spade or trowel to the depth of three inches, place the bulb beneath the sod and press back into place. Crocuses are also great favorites for house culture, giving very satisfactory results. For blooming indoors the pots or pans in which they are planted should be plunged outdoors until a hard freeze or so. The bulbs we offer are improved strains of the leading varieties, and are superior as regards both form and color.

Finest Named Varieties

25 cts. per doz.; \$2.50 per 100, postpaid, except where noted.

Albion. Fine striped; large and good.

Caroline Chisholm. The best white.

David Rizzio. Magnificent dark purple.

Lord Byron. Superb blue.

Queen Victoria. Splendid pure white.

Cloth of Gold. 30 cts. doz. Golden orange, suffused with brown.

Cloth of Silver. 30 cts. doz. Same as the preceding, except the color is beautifully silver-shaded.

Saffron. 30 cts. doz. Violet colored, variously striped and fragrant.

Scotch. 30 cts. doz. Striped in various colors on white ground.

Versicolor. 30 cts. doz. Shades of purple to white, veined purple.

Sir Walter Scott. Striped, very distinct.

Amazonne. Light blue, fine.

Purpurea Grandiflora
Blue. Extra-large blossoms.

FINEST MIXED

20 cts. per doz.; \$1.50 per 100, prepaid.

Mixed White. Different varieties.

Mixed Purple and Blue. different varieties.

Mixed Striped. Different varieties.

Mixed Yellow. Different varieties.

All Colors. Different varieties.

Mixed. Different varieties.

Monster

Yellow Crocus

Bulbs very large and flower early; profusion of bloom is remarkable, fifteen to twenty-five large flowers coming from one bulb. 25 cts. doz.; \$2.50 per 100.

NEW MONSTER

BLOOMING CROCUSES

These varieties are a great improvement over the older sorts, both in size and bloom and coloring. Each bulb produces several blooms of immense size (note the above illustration). Magnificent for Winter blooming indoors in pots or pans.

King of the Whites. Purest white flowers of immense size and magnificent form, with large orange anthers. Extra fine. Price, 25 cts. doz.; \$2.50 per 100.

White Lady. Magnificent large cup-shaped flowers, pure white with deep orange anthers. Price, 25 cts. per doz.; \$2.50 per 100.

New
Crocus
King of
the Whites

Snowdrops (Galanthus)

Snowdrops are the first blossoms of Spring, and can be planted in groups and left undisturbed for years, coming forth annually with renewed strength and beauty. They are also exquisitely pretty planted singly in the grass, their foliage being sufficiently matured to cut without injury to the bulbs by the time the lawn is ready to be mown.

Galanthus Nivalis, Single.

The old-fashioned Snowdrop, pure white. 5 cts. each; 12 for 50 cts.; \$4.00 per 100.

Galanthus Nivalis, Double.

The largest and most beautiful of all Snowdrops, flowers pure snow white, bright green tube. 7 cts.; 12 for 70 cts.; \$5.00 per 100.

Glory of the Snow

(Chionodoxa)

Price, except where otherwise noted, 50 cts. per doz.; \$3.50 per 100.

These are among the best of early flowering plants blooming in February, March and April according to locality. Need no winter covering and should be taken up and divided about every third year.

Chionodoxa Lucillea. A most lovely variety producing spikes of beautiful azure blue flowers with pure white center in striking contrast.

Chionodoxa Lucillea Alba. Pure white. 9 cts. each; 90 cts. per doz.

Chionodoxa Gigantea. As the name indicates, a large flowering variety, color beautiful light blue with white center. Price, 7 cts. each; 70 cts. per doz.; \$6.00 per 100.

Chionodoxa Sardensis. Small dark blue, no white eye.

Galanthus (Snowdrops)

Grape Hyacinths

As the name implies, flowers like a bunch of grapes, blooming in early spring. Plant in the grass or for indoor blooming plant a few bulbs in a 5-inch pot.

Improved Blue. Sky-blue, tipped white. 40 cts. per doz.; \$3.00 per 100.

Snow-White. Scarce. 60 cts. per doz.; \$5.00 per 100.

Tufted and Feathered. Blue tinged with red. 60 cts. per doz.; \$5.00 per 100.

Erythronium (Dog's Tooths Violet)

Grandiflorum (The Beautiful Wood-Lily). Planted in open ground, for they are entirely hardy and will found a colony. For Winter blooming they are of the easiest culture and are sure to bloom in mid-winter. Color, cream. The bulbs should be potted or planted soon after being received, as they suffer if allowed to remain dry. 5 cts. each; 6 for 25 cts.; 50 cts. per doz., postpaid.

Revolutum. Large, and in color very striking white, tinged with green. The leaves are narrow, beautifully mottled with brown. Fine bulbs, 10 cts. each; three for 25 cts.; 7 for 50 cts., postpaid.

Californicum. Flowers cream colored. Four and five flowers on a stem. Leaves richly mottled. 5 cts. each; 6 for 25 cts., postpaid.

Hendersonii. Flowers light purple with deep maroon centers. Very striking. 6 cts. each; 6 for 30 cts., postpaid.

Calochortus (Globe Tulips)

The plants are rather tall and slender, with leaf-wrapped stems of odd shape. Natives of woodlands, delighting in loose soils, such as leaf moulds, also do well in heavy soils and are fine for naturalizing among rocks or in shaded places. Fine for pot plants, and a colony of six to twelve makes a fine display.

Albus (Fairy Lantern). White; medium size bulbs, 5 cts. each; 50 cts. per doz.

Amabilis. Rich yellow. 5 cts. each; 50 cts. per doz.

Calochortus, Star Tulips, Cat's Ears

Benthamii. Bright Yellow. **Lilacinus.** Lilac.

Maweanus Major. White. 3 for 10 cts.; 35 cts. doz.

Calochortus Mariposa, Butterfly Tulips

Cup-shaped flowers with one too many on a stem, wonderfully marked with eyes, dots and pencilings in rich colors, and only compared to the orchids in wonderful variability of beauty.

Venustus Oculatus. White and cream; eye large and richly zoned. 5 cts. each; 6 for 25 cts., postpaid.

Venustus El Dorado. Often one to three feet high; well branched. Many colored flowers. 10 cts. each; 6 for 50 cts., postpaid.

Vesta. Good grower. Thrives in any ordinary soil. Magnificent flowers, three to five inches, on long separate stalks. Color white, flushed with lilac or rose-purpl. Medium bulbs, 10 cts. each; 6 for 50 cts., postpaid.

Mixed Calochortus, five and six varieties. 3 for 10 cts.; 30 cts. per doz.

Grape Hyacinths

Bermuda Easter Lily

The Easter Lily is a vigorous grower with ordinary attention. Flowers pure white and delightfully perfumed. It is unexcelled as a window plant. Fill a six-inch pot closely with soil to the top, plant the bulb, water moderately and put away in a dark, cool place until the roots begin to form. Then transfer to the sitting room to the warmth and light. Bermuda Easter Lilies may be planted outside. They are hardy in the Southern States and will survive Northern winters if protected with leaves or litter. They flower in three months from planting. When planted in a large pot can be placed outdoors in spring after all danger of frost is past, and they will bloom during the summer months.

The bulbs we offer are the true Bermuda Easter Lilies (*Lilium Harrisii*), secured direct from our Bermuda grower, and are the best to be had. We offer the true stock, which is very scarce—and very few are able to secure a supply—and only large and healthy bulbs, which will make a vigorous growth and give an abundance of extra-large, magnificent flowers, five to eight on each plant. Can be supplied any time after August 15th.

Large Bulbs, Popular Size, producing 2 to 3 flowers, 25 cts. each; 5 for \$1.00, postpaid.

Extra-large Bulbs, producing 4 to 8 flowers, 40 cts. each; 3 for \$1.00, postpaid.

Bulbs of Enormous Size, producing 12 to 15 flowers, 75 cts. each; two for \$1.25, postpaid.

Bloom of the true Easter Lily

Formosa Easter Lily

An improved type of the well-known *L. Longiflorum*.

The plants are healthy, strong growth, about three feet high, and produce beautiful snow-white, trumpet-shaped flowers six to eight inches long. It is perfectly hardy and a splendid garden lily, blooming in the open in June and July. This lily is also a very important winter-flowering type. **First or largest size bulbs**, 25 cts. each; **six for \$1.25**. **Second size**, 20 cts. each; **6 for \$1.00**.

Dingee Calla Lily

Calla Lilies

Grand Winter-blooming pot plant. Easy to grow, free bloomers and superb flowers. Good at all seasons of the year.

New Yellow. Large, rich flowers, similar to the old white Calla in form; very fragrant. Color golden-yellow. **Large bulbs**, 40 cts. each; **3 for \$1.00**, postpaid.

Everblooming Calla. Godfrey (Dwarf). In bloom all the time. Fine. 25 cts. each.

Lily of the Nile. The old favorite White Calla. Grand white flowers—chaste and beautiful. To aid profuse blooming, keep dormant from the middle of June until the last of August; replot in good, rich soil, using 6 to 8-inch pots; give water, light and heat in abundance and the result will be most satisfactory. **First-size bulbs**, 25 cts. each; **5 for \$1.00**. **Large-size bulbs**, 40 cts. each; **3 for \$1.00**, postpaid.

Special Offer F-27

One each of Godfrey, Yellow and White, first-size bulbs, postpaid, for \$1.00.

Broadiaea

(Price, 6 cts. each; 6 for 30 cts.)

Extremely showy half-hardy bulbs, bearing beautiful tubular flowers in clusters on stems. One to two feet high.

Capitata (California Hyacinths). Slender stems, capped with a head of violet-blue flowers.

Lactea. Has a close umbel of milky-white flowers.

Stellaris. Dwarf 3 to 6 bright purple flowers with white centers.

Hendersonii. Yellow, banded purple.

Chinese Sacred Lily

Winter-Blooming Oxalis

The variety of Oxalis we offer at this season is entirely suitable for winter-blooming and pot culture. These lovely flowers are now among the most popular for hanging baskets, pots and positions calling for graceful and effective flowering plants. A few in a five-inch pot or basket will start off at once and soon be in flower, remaining so throughout the winter.

Price, 3 cts. each; 30 cts. per doz.

Bermuda Buttercup. New, large-flowering, yellow.

New Winter-blooming Oxalis, Grand Duchess.

The finest winter-blooming variety yet introduced, bearing continuously beautifully formed flowers of splendid size and color. We offer four colors, **rose-pink, white, lavender and yellow.**

Winter-Blooming

Freesia Purity

One of the most popular Winter-blooming bulbs, growing well in ordinary soil. One of the easiest of Winter-blooming bulbs for window culture. The color is pure white, lower petals touched with yellow.

Freeseas should be planted early for the best results—the earlier the better. The vitality of the bulbs is at its highest early in the season. We have these growers, and are able to offer larger and better quality bulbs than those generally sold.

First-Size Monster Bulbs. Three years old.

8 cts. each; 80 cts. per dozen, postpaid.

Second-Size, Mammoth Bulbs about $\frac{1}{2}$ inch in diameter. 4 cts. each; 35 cts. per doz. postpaid.

Third-Size, Extra Large, Selected Bulbs. 25 cts. per doz.; \$2.00 per 100, postpaid.

Colored Freesias

Require same treatment as the Purity variety. Some of these colored ones planted with the white gives added charm to the display.

Splendens. Delicate blue or lavender.

Buttercup. Lovely shade of yellow.

Rainbow Mixture. Price of above 3 varieties, 8 cts. each; 80 cts. doz.

Floral Firecracker

The color is a rich, deep crimson, tipped with greenish-white. 10 cts. each; \$1.00 per doz., postpaid.

The Blue Milla

Rich blue, star-shaped flowers in profusion at the end of long graceful stems. 7 cts. each; six for 40 cts.; 75 cts. doz., postpaid.

The Famous Chinese Sacred Lily

One of the most popular of the Winter-flowering bulbs. It will thrive in soil, but the favorite method of culture is growing in water and gravel, where it can be depended upon to flower within 20 to 30 days after planting. Select a vessel of sufficient size, place two or three bulbs in it, fill the interspace with coarse sand or gravel until the bulb is firmly held in position, and then add water until quite covered.

Immense Bulbs, 20 cts. each; 6 for \$1.00, postpaid.

Fritillarias (Mission Bells)

The habit of growth is Lily-like, and, as a pot plant, the effect is beautiful in the extreme; in fact, it is as beautiful as any lily, while the profusion of flowers is remarkable, requires about same treatment as Bermuda Easter Lily; should not be given too much water.

Lanceolata. 18 to 24 inches high. Flowers are mottled in green and brown. Very odd and pretty. 20 cts. each; 6 for \$1.00, postpaid.

Recurva. Orange scarlet. 12 to 18 inches high, 20 cts. each; 6 for \$1.00.

Ixia

Ixias are hardy and may be planted out of doors, also admirably adapted for pot culture in the house.

Named Varieties, 6 cts. each; 60 cts. doz.

Craterioides. Bright scarlet; free and early.

Golden Drop. Beautiful rich yellow, eye deep maroon.

Wm. the Conqueror. Creamy white with purple centre.

Wonder. Double pink.

Fine Mixed. Including varieties above and others; a splendid assortment. 3 for 10 cts.; 30 cts. per doz.; \$2.75 per 100.

Freesia Purity

Giant Paper White Narcissus

Giant Paper White Narcissus, Growing in Water

Giant White Narcissus

NEW, DISTINCT AND BEAUTIFUL GROWS IN WATER

This grand Narcissus is the earliest flowering, blooming for Christmas. Grows with absolute certainty, and produces in lovely clusters immense numbers of pure white flowers. In fragrance is the equal of orange blossoms. Superb.

Grow it in Water. It succeeds best grown in water. Place sand or gravel in bottom of a dish, firmly imbedding the bulbs; keep well covered with water and it will soon bloom. It may be grown in soil like a Hyacinth, but the best method is in pebbles and water.

To Get the Best Effects. Several bulbs (not less than six) should be planted together. Give plenty of sunshine. Bulbs we offer are sure to grow and bloom.

Price, postpaid by mail, 7 cts. each; 6 for 40 cts.; 75 cts. per doz.

Special Offer F-25 Two Giant White Narcissus and 3 Golden Sacred Lilies for 20 cts.; six of each, 12 in all, for 50 cts. They make a splendid contrast.

Golden Sacred Lily

Large sweet golden yellow flowers; hardy, thrives in any window or garden. Blooms quickly and freely in soil, sand or pebbles and water. Beautiful and very fragrant. **Large bulbs, 4 cts. each; 40 cts. per doz.; postpaid.**

Polyanthus Narcissus

In the open ground should be well protected. Pot any time from October to January. Several bulbs can be grown in a large pot or box. Cover them loosely with 1½ to 2 inches of soil.

Double Roman. Clear white, with smaller inner petals of pure yellow; early, 7 cts. each; 75 cts. doz.

Gloriosa. Perianth white; cup, orange-yellow. 7 cts. each; 75 cts. per doz.

Grand Primo. White, with citron cup. 7 cts. each; 75 cts. per doz.

Soleil d'Or. Rich yellow flowers, with deep reddish cup. 7 cts. each; 75 cts. per doz.

Special Offer F-26 Set of 5 named Polyanthus Narcissus above, including Giant White, 30 cts.; six of each, 30 in all, \$1.75, postpaid.

Scilla Alba and Rose Queen

Spanish Iris

Fine for cutting, as they stand gentle forcing well. When planted in open ground make a fine display.

Price, 12 cts. each; \$1.25 doz., postpaid.

Cajanus. Yellow.

Royal Blue. Dark blue.

Queen Wilhelmina. Early white.

King of the Blues. Best dark blue.

Louise. Lilac white.

Excelsior. Light blue.

Solfaterre. Dark blue with a bronze back.

British Queen. White.

German Iris

The memory of the "Blue Flag" of the old-time gardens is one ever sweet to those whose lives were lived in such surroundings, and while the "modern" Irises, if we may use the term, will remind one of the old days: they, too, like everything else of these days, have yielded to the influence of improvement.

Canary Bird. (Flavescens). Lovely pale yellow.

Darius. Yellow and lilac.

Honorabilis. Deep yellow; mahogany falls.

Florentina Alba (Silver King). Early white.

Ingeborg (Interregna). Immense white.

Mrs. H. Darwin. White, violet veining.

Lohengrin. Foliage and flowers immense, of a deep violet mauve, almost pink.

Queen of May (Rosy Morn). Lovely Rose Lilac.

Madame Thibault. White, bordered rose lilac—companion to Mad. Cherau.

Cherion. Standard lilac-mauve; violet-mauve.

Price, 15 cts. each; 8 for \$1.00, postpaid.

Ranunculus

These dwarf-growing bulbous plants are perfectly hardy south of Washington, but should be protected during the winters farther north. Fine for pot plants for winter blooming.

French Turban, Finest Mixed. Of vigorous growth, bearing an abundance of gorgeous flowers of largest size and colors rivaling the rainbow for brilliancy. 6 cts. each; 60 cts. per doz., postpaid.

Scilla Sibirica (Praecox Squill)

5 cts. each; 50 cts. doz.

Equally desirable for planting in the open ground for earliest Spring flowers, or in pots for Winter blooming. The rich blue flowers are borne in greatest profusion; grown in pots, they will be in bloom from Christmas until April; in the open ground the flowers come almost before the snow is gone.

Scilla Campanulata Alba. Splendid spikes, 1 to 2 feet high, of bell-shaped, bluish-white flowers. Plant them amongst shrubbery or in odd corners. Excellent for winter blooming in pots. 6 cts. each; 60 cts. per doz.

Scilla Campanulata (Rosy Queen). Beautiful shade of pink. 7 cts. each; 70 cts. per doz.

Scilla Campanulata (Sky Blue). Robin's egg blue. 5 cts. each; 50 cts. per doz.

Lily-of-the-Valley

One of the most universally known and admired plants. The graceful spikes, with the dainty pure white bells, are a delight to the eye, and their delicate fragrance is exquisite. Plants succeed almost anywhere, but prefer a partly shaded situation and rich soil. For house culture, plant rather thickly in pots or boxes, scatter some moss or other light material over the soil, which must not cover the crown; water well and set away in a dark, cold place where they will freeze, or bury pot in ground for several days. When brought to heat and light after a few weeks, the leaves and flowers will soon appear. Ready for delivery in November. Strong-flowering crowns. Three for 25 cts.; 75 cts. per dozen; \$6.00 per 100, postpaid.

Spanish Iris

Dingee Pot-Grown Own-Root Roses

For Fall Planting

For several years we have offered our customers pot-grown, own-root Roses for Fall planting, and we cannot emphasize too strongly the advisability of Fall planting during the months of August, September, October and, in the South and Southwest, November.

We were the first in America to produce the Rose plants **suitable** for this purpose. Since then the proposition has been introduced generally, but we still maintain the lead in both quality and quantity of these famous Dingee pot-grown Rose bushes for immediate planting.

The Two-Year-Old Roses Offered on the Following Pages

have been specially prepared for Autumn planting and are shipped by express, leaving the soil in which they have been growing on their roots, and the change does not check their growth in any way.

Our list is exceedingly complete and embraces all the leading varieties of Roses. These plants have been resting all summer and are now growing in large pots and may be planted anywhere in the United States with entire safety. One great advantage they have over field-grown Roses is that they have been grown in pots or crocks and may be transplanted at your convenience whilst field-grown plants are only good for planting late in the Fall, after they have become dormant, which gives them no chance in the average locality to be shipped and planted in time to become established before Winter sets in. Our famous Dingee pot-grown Roses, planted in August, September, October and November, according to where you live, will become thoroughly established before cold weather, and you thereby gain one year in growing and blooming capacity, and you will thus have an abundance of bloom next Spring.

The chief reason that we are able to prepare such a low cost of this splendid assortment of Roses is our growing equipment, which is now the foremost in America.

The important point is **plant early**. Protect with evergreen boughs, straw or litter, and then these varieties will invariably go through the winter safely.

Mme. Butterfly

Hybrid Tea. All the color tones of Ophelia are intensified, making it a harmony of bright pink, apricot and gold. Ophelia ranks at the top in popularity and Madame Butterfly will surpass it. It averages more petals to the bloom; it produces more bloom to the plant because it makes more branches, everyone carrying a bud. The tight buds are a lovely shade of Indian oak, yellow at the base; the opening flowers are perfect in form and texture, clear and brilliant in color and of delicious fragrance. **Price, first size plant, 35 cts. each; 3 for \$1.00 postpaid; two-year-old plants, \$1.00 each, by express collect, \$1.10 parcel post prepaid, with soil on roots.**

Amelia Gude

Hybrid Tea. A cross between Columbia and Sunburst, which has produced a charmingly beautiful yellow rose, outer petals reflexing deep yellow, center shading to a cream, very fragrant. Buds long and pointed, flower medium size. Foliage handsome dark green. Very vigorous upright grower and free bloomer. Hardy. **Price, 35 cts. each; 3 for \$1.00, postpaid. Two-year-old plants, on own roots, \$1.00 each, by express, with soil on roots; \$1.10 by parcel post prepaid, with soil on roots.**

Mme. Butterfly

Dingee Famous Hybrid Tea Roses

The Most Desirable of All

For many years we have had by far the most complete and extensive list of Hybrid Tea Roses in the business, having been the first house to call particular attention to their wonderful value. Ours is the greatest collection in this country. As the new varieties are introduced they are given a trial, and if found wanting in any respect are discarded and not offered to the Rose-growing public until they prove worthy.

This excellent class combines the continuous-blooming quality of the Everblooming Teas and the sturdy strength of the Hybrid Perpetuals. The plants bloom the first year, like the Teas, bearing large, finely formed flowers of a wondrous range of color, with the fragrance of the June Roses. They are especially valuable to Northern planters because they stand the severest winters with ordinary protection and, of course, luxuriantly in the South. In all sections they form magnificent bushes, bearing all summer great masses of most beautiful Roses imaginable. Unless a Hybrid Tea Rose bush is grown from the choicest two-eyed cutting—the Dingee method—it will not give satisfaction. All our stock is **on its own roots**—don't buy the other kind, budded and grafted. We offer strong, lusty plants in all sizes and stake our reputation upon their quality.

Kootenay

For Winter Blooming Indoors

They are the very finest. Producing magnificent blooms on long stiff stems and almost as freely as the Teas. The one-year plants are excellent for this, as they are well rooted and ready to go right ahead and bloom. May be kept indoors during the winter and then planted out in the yard or garden in the spring. Put them into a 4-inch pot, well drained. Give all sunshine possible and liquid fertilizer frequently. Keep free from insects and they will bloom frequently.

Kootenay

Hybrid Tea. Beautiful soft rose. Flowers large, full and double. Very free bloomer, an improved Kaiserin.

Frank W. Dunlop. The color is a most pleasing shade of soft pink, deepening towards the center. Bud perfect in form and substance, being long and pointed, opening full and double. Produced in marvelous profusion on long stiff stems. Strong healthy grower, being absolutely free from disease of any kind. Hardy everywhere. A wonderful outdoor rose.

American Legion. An American production, having been produced by Edward Towill, Roslyn, Pa. The blooms of this rose the past season brought almost as much as the famous rose American Beauty and as it becomes better known we predict it will be as popular, as the color is such a pleasing shade of Cerise which it retains until all petals fall. Buds produced on long stiff stems well above the foliage and of immense size, long and pointed, opening full and double, a great producer. Foliage dark green, free from diseases such as Black Spot, Mildew, etc. Awarded First Prize for a new rose in 1920.

Silver Columbia

A Sport of Columbia. Magnificent buds and blooms produced on great stout stems. One of the greatest bloomers we have ever seen, being one mass of gorgeous blooms the entire growing season. It is a strong healthy grower, free from insects and disease, thus making it a rose that will become the most popular in America because anyone can succeed with it. Needs no petting or coaxing. It just grows anywhere. Foliage dark green. Does well indoors as well as in the open ground. Hardy everywhere. Excellent for cutting. In its color also lies one of the chief charms, being a beautiful clear shade of deep silver pink deepening towards the center. Fragrant as an American Beauty. Awarded Silver Medal by the American Rose Society. **Price, 50 cts. each for first size plant, postpaid; \$1.50 for 2-year-old plants, by express collect, or \$1.60 by parcel post, prepaid, with soil on roots. All on own roots.**

Price. All Roses on this page, except where noted, first-size plants, 30 cts. each; 4 for \$1.00, postpaid; two-year-old plants, 85 cts. each, by express; \$8.50 per doz. of one or more varieties; 95 cts. each by parcel post with soil on roots in which they are grown.

HYBRID TEA ROSES—Continued

Red Radiance

The color is a splendid even shade of clear red, without a trace of any other color, retaining its vividness for an unusually long time after being cut. It is a remarkable bloomer, being constantly in flower from early spring until freezing weather. Strong, vigorous, branching grower, each branch terminating in a large, bold, double bloom. Hardy everywhere.

JONKHEER J. L. MOCK. Of distinctive merit, being an extremely strong grower, one of the strongest of the Hybrid Tea class, blooming as it does with the greatest freedom, the buds carried on long, stiff erect stems, of the very largest size imaginable to obtain in a Rose bloom and still retain its perfect formation. Very fragrant. Color, clear imperial pink on the order of *La France*.

FRANCIS SCOTT KEY. A magnificent Hybrid Tea Rose, named in honor of the writer of the "*Star Spangled Banner*." Glowing scarlet with darker shadings. Buds long and pointed, opening full and double. Strong, healthy grower. Hardy everywhere. Free blooming.

F. R. PATZER. A Rose of striking and pleasing appearance, owing to the delicate blending of color, which is a creamy-buff, with the reverse of petals a delicate warm pink, and as they expand the color becomes a light orange-pink, which produces a most charming combination. Strong, vigorous grower. Produces numerous branches, each one crowned with a magnificent bud and bloom, on long, stiff stems, well above the foliage. Hardy and an excellent garden variety.

ROBIN HOOD. A grand grower, producing heavy canes and foliage. Blooms of immense size like the *June Rose* or *Hybrid Perpetual*. Color glorious rosy-scarlet that is soft, bright and lasting. Free bloomer, that is, blooming the entire growing season. Hardy everywhere.

GENERAL McARTHUR. Of strong, vigorous, healthy growth, branching freely, it produces its wonderful blooms profusely from May until October, of full scarlet crimson. Every shoot carries a large, double, well-formed flower of exquisite fragrance and lasting quality.

MAD JULES GROLEZ, Red Kaiserin Augusta. This magnificent Rose is exceedingly free blooming, with very large, finely formed flowers. The color is a distinct and charming shade of cherry-red. The fine form and attractive shape of the flowers makes them excellent for cutting. It is a remarkably strong, healthy, growing variety.

HERMOSEA. The favorite of the old-time gardens and just as popular today; blooms in fine clusters; large, very double and fragrant; color beautiful clear rose; a constant bloomer; hardy.

MME. EUGENE MARLITT. Brilliant shade of red. Bush strong growing and lusty, fairly weighted down all summer with its profusion of bloom.

MAGNAFRANO. The flowers are very large, full, deep and double, and of delightful fragrance. The color of this magnificent Rose is bright, shining rose, with rich shadings of richer tones. It forms a strong, sturdy, upright bush, bearing its gorgeous flowers on long, stiff stems, making it especially valuable for cutting.

MY MARYLAND. Its brilliant, lively shade of pink and beauty of form is without superior, and all summer through large, perfectly double magnificent flowers, rich in fragrance, are borne on long stiff stems, growing from a sturdy, fine-shaped bush, which in itself is a distinct ornament to the garden. A great outdoor Rose. Extremely hardy.

Price. All Roses on this page, except where otherwise noted, first-size one-year plants, 30 cts. each; 4 for \$1.00, postpaid; two-year-old plants 85 cts. each, by express; \$8.50 per dozen of one or more varieties; or 95 cts. each by Parcel Post, prepaid, with soil on roots.

Red Radiance

Mrs. E. T. Stotesbury

One of the many new varieties of Roses recently produced in this country that will soon become a popular favorite is our prediction for this *Glorious Hybrid Tea*. A cross between *My Maryland*, *Jos. Hill* and *Milady*. In its color lies one of its principal charms, being a soft silvery flesh pink, deepening towards the center to very deep pink, outer edges of the petal tinted silvery rose, making a combination found in so few. Strong grower, producing the blooms on long stiff stems well above the foliage. Free from disease and insect pests.

MRS. HENRY WINNET. Foliage fine dark green and free from insects and disease. Color a bright shade of crimson, not quite as dark as *Hadley*, but not as light as *Richmond*, a color that has proven to be very popular, and we consider it one of the best crimson varieties. Buds long and well formed.

MRS. HUGH DICKSON. A Rose suitable for any purpose, delightfully perfumed, producing its large flowers in great profusion. The petals are large and of excellent substance, and the flowers of superb build, with high-pointed centers, with a beautiful outline. Color, a deep cream, with heavy profusion of orange and apricot. Splendid grower.

KILLARNEY BRILLIANT. An offspring of *Pink Killarney*, but several shades darker, the color being a beautiful shade of brilliant red. Habit of growth same as *Killarney*. Just as free a bloomer.

CRUSADER. Color rich velvety crimson. Buds and blooms immense and of great substance, very full and double and the largest rose of its color we have yet seen. A big strong grower soon produces a rugged bush loaded with the finest blooms that can be grown. Foliage heavy and free from disease. Hardy and a profuse bloomer.

DEAN HOLE. Silvery carmine Roses with salmon shadings. The coloring is distinct and unique; a handsome tribute to the eminent Rosarian whose name it bears.

Radiance

Rhea Reid

The color is vivid scarlet crimson, and the flowers are marvels of beauty; large, bold and of splendid substance. It has a strong, disease-resisting constitution, makes a rapid growth and throws up a profusion of canes from the roots and is always blooming.

HOOSIER BEAUTY. This beautiful Rose is fragrant as Richmond; has more petals, a stiffer stem, a texture like velvet. In color, glowing crimson scarlet, with darker shadings. The bud is of good length, keeps well in the close-cut state, and opens into magnificent bloom, quite dazzling in its velvety brilliance.

ECARLATE. One of the grandest for outdoor blooming of this class. Color a solid, brilliant scarlet. Profuse bloomer, strong, sturdy grower. Exceptionally fine as those found in the greenhouses. Perfectly hardy.

LAURENT CARLE. A beautiful Rose, with extra large, handsomely formed, rich velvety carmine buds and flowers. It is a phenomenally strong and robust grower, hardy in every locality and continually in bloom. Every lover of Roses should have this variety.

OPHELIA. The color is one so difficult to describe that any description can only be a partial one, and gives but a faint idea of the superb beauty and richness of the shades. Salmon-flesh, shaded with rose. Buds of unusual attractiveness, opening full and double. Habit excellent, growth strong, produces flowers on long stems, well up above the foliage, and in great profusion all summer. Grand for forcing or outdoors.

VIRGINIA R. COXE (or Gruss an Teplitz). For intense and dazzling color there is no other Rose to compare with it. The flowers are large and handsome, moderately double, of splendid substance, and are produced in amazing profusion during the whole of the growing season; in fact, it is always in bloom. The color is fiery crimson, shaded with a dark velvety sheen, a combination found in no other Rose.

Price. All Roses on this page, except where noted, first size one-year plants, 30 cts. each; 4 for \$1.00, postpaid; two-year-old plants, 85 cts. each; \$8.50 per dozen of one or more varieties, by express at purchaser's expense; 95 cts. each by Parcel Post, prepaid, with soil on roots.

HYBRID TEA ROSES—Continued

Radiance

A glorious new extra-hardy Hybrid Tea Rose which originated a few miles from West Grove. Awarded Silver Medal by the American Rose Society as the best bedding Rose at the Hartford, Conn., gardens. The flowers are a beautiful blending of shades of carmine-rose, with opal and coppery reflections. It is of splendid, sturdy growth, constantly in bloom and is bound to become one of the leading garden Roses. We cannot say too much in its praise.

CRIMSON QUEEN. Owing to its rich coloring this is a wonderful garden or bedding Rose. There is no color that produces the show that a good crimson does. The color is a rich, bright, velvety crimson. A strong, vigorous, upright grower; flowers large and full, a great garden Rose as it is always in bloom; extremely hardy and produces a magnificent bush in a short time, hardy everywhere.

MAD. ABEL CHATENAY. This splendid Rose is one of the very best of its color—rosy-carmine, with darker shade. It does remarkably well in the open ground, has wonderfully beautiful flowers, which are full, deep and double. A very hardy Rose. Chatenay is a strong grower and free bloomer; has won friends wherever it has been planted.

EDGAR M. BURNETT. Very large, full flowers of splendid form, with large flesh-colored petals tinted rose; an advance on the type of Rose of which the beautiful Alice Stanley is a representative; one of the sweetest scented Roses in existence. Awarded gold medal, National Rose Society of England.

ETOILE DE FRANCE. The strong, upright bushes have beautiful bronze-green foliage, which is not subject to insect attacks. The bushes are blooming constantly, producing large, massive, deep, full cup-formed flowers on magnificent, long, stiff stems. They are of truly glorious form and delightful fragrance, while the color is exquisite—a clear red of velvety crimson.

MRS. AARON WARD. The color ranges from coppery-orange in the opening bud, changing to a golden-orange, and when the flower is fully open it is a lovely shade of pinkish fawn. Most vigorous in growth, every shoot producing a flower and clothed with dark, glossy green foliage, maroon on under side.

MADAME SEGOND WEBER. One of the most beautiful Roses of recent introduction. The long, pointed buds are pink or salmon-flesh and when fully expanded are immense in size, full and double; as the flower opens it deepens until it fairly glows with its warm, deep pink. Highly fragrant. Very hardy and constantly in bloom.

METEOR. Very few dark Roses compare with this in richness and depth in color, which is a rich, velvety crimson, shading very dark in the depths of the petals. As a garden Rose it has few equals, being particularly valuable for bedding on account of its sturdy growth and handsome foliage.

SUNBURST. Buds long and pointed, borne singly on long, stout stems, opening full and double. A very vigorous grower, reddish bronze foliage. The color is superb orange copper or golden orange, with a deep orange center. This Rose creates a sensation wherever grown.

HELENA CAMBIE. Of unusual beauty, with large, double, beautifully formed flower; the colors are varying, ranging from salmon-rose to coppery-rose; very often a handsome saffron hue. As the flowers expand the colors become lighter.

PINK LA FRANCE. Exceedingly sweet and handsome; flowers and buds large size, color lovely shade of silvery pink, tinged with crimson; fragrance delicious; flowers very dull and beautiful.

WHITE LA FRANCE (Augustine Guinoisseau). A pure white member of the La France family, having just a tinge of rose-blush tint, which grows stronger in the depths of the petals.

Pink Killarney

This Queen of the Irish Roses excels any other of its class and color yet introduced, and by many is recognized as the most beautiful hardy, everblooming Hybrid Tea Rose now under culture. Each season since it was introduced Killarney has increased in popularity and the demand has always exceeded the supply. We have an immense quantity, however, and guarantee every plant to be true to name. The bush is strong and upright, with beautiful, deep bronzy green foliage, and the Rose is entirely free-blooming, bearing immense, long pointed buds and massive flowers on big, heavy shoots. The color is deep, brilliant and sparkling shell-pink, of the most exquisite shade. The flowers are of delightful fragrance, immense size, and have thick petals of great substance. Killarney is unusually hardy and without protection has withstood severe Winters.

YELLOW KILLARNEY (Mme. Jenny Gillemot). A brilliant saffron-yellow Rose, opening canary with dark golden shades. The buds are long and pointed, beautiful in form and color, the flowers are large, with immense petals. Hardy and vigorous, it is in constant bloom all Summer. Blooms produced on long, stiff stems, making an excellent Rose for cutting. Owing to its resemblance to the Killarneys, we have called it the Yellow Killarney, as it makes a good companion for them.

WHITE KILLARNEY. An offspring of the Pink Killarney, and is one of the most exquisite white Roses grown. The long, full buds are handsome in shape and the full-open flower most refined and beautiful in form and texture.

Strong plants. Price—First size, one-year plants of the Killarney Roses, 30 cts. each; 4 for \$1.00, postpaid; two-year-old plants 85 cts. each, by express; \$8.50 per dozen of one or more varieties; 90 cts. each, by Parcel Post, with soil on roots.

Special Offer One each of these Killarneys, 3 in all, first-size plants, sent postpaid for 75 cts. One of each, 3 in all, two-year-old plants, sent by express, for \$2.25; \$2.50 by parcel post with soil on roots same as by express.

"Columbia"

Columbia

Not since the introduction of the glorious Rose American Beauty, have we been so impressed with any Rose as we have been with "Columbia." A hybrid tea of wonderful blooming qualities; as free a bloomer as any Tea Rose; blooms all the time. Almost thornless. Wonderful strong shoots four feet or more in length, each producing a magnificent bloom, often measuring six inches across the open flower. Color a deep peach pink, deepening into a glowing pink, a perfect color. The fragrance is beyond description, sweeter than an American Beauty. After a thorough trial we heartily recommend it as a great outdoor Rose. Hardy as an Oak, thrives in any location, strong grower and soon makes a great display. One of the most exquisite Roses for cutting we have ever seen; produces handsome buds, on long, stiff stems well above the foliage. Foliage is a dark green and does not seem to be affected with disease or troubled with insects. **Price, first-size plants, 30 cts. each; 4 for \$1.00, postpaid; two-year-old plants, 85 cts. each, by express; \$8.50 per doz. of one or more varieties; 95 cts. each by Parcel Post with soil on roots in which they are grown.**

Dingee Ever-Blooming Tea Roses

The Best for Winter Blooming

While not so hardy as the Hybrid Teas or Hybrid Perpetuals, yet with protection they will live through the winters in almost all sections of the country, except in the extreme North. In the South they are unexcelled, whether planted in the open ground or used for pot culture. The fact that one-year-old plants produce a profusion of flowers makes them indispensable to every Rose-lover. For Fall planting out doors secure them early.

White Maman Cochet

Alexander Hill Gray

The color, which is a deep lemon yellow deepening as the flower expands, does not fade in the open ground, as is usual with such. Buds and blooms of perfect formation and of great substance and produced in the greatest abundance throughout the entire season. Strong grower and hardy everywhere. Awarded Gold Medal by National Rose Society.

Enfant de Lyon (The Sweet Anise Rose). In color the flowers are beautiful creamy-rose, delicately shaded with coppery-yellow, and very fragrant. The flowers are much admired for their color and the distinct Anise fragrance peculiar to this variety.

Wm. R. Smith. Especially suited for outdoor planting and cutting purposes. The soft blending of the salmon-pinks, rose-pinks, and the magnificent flesh tints resemble the blush of a maiden's cheek.

Coquette de Lyon. The flowers are extra large, deep and double; color pure canary yellow.

Bon Silene. The color is deep rose, changing to pale light rose. In the open ground it grows to perfection, producing large crops of beautiful flowers from early spring until late autumn. One of the favorites of the old-time gardens.

Safrano. The color is a bright apricot-yellow, passing to orange and fawn, sometimes tinted with rose. A splendid old-time Rose that has never been replaced by any new comer of its class or color. It is a variety especially adapted to outdoor planting; vigorous, healthy; blooms all summer.

Burbank. A rival of Champion of the World, bearing a great profusion of large crimson flowers; very fragrant.

Princess Bonnie. The brightest, sweetest and freest-blooming Rose in existence. Color, solid crimson, deeper and more vivid than "Jack." Fragrance far sweeter than La France. Always blooming.

The Famous Cochet Roses

The Cochet Roses are perfectly hardy in every section of the country, even where the winters are most severe, with slight protection. No matter where you live, they will give perfect satisfaction. They thrive vigorously and bloom lavishly all summer long, and increase in beauty with the passing years.

Pink Maman Cochet. The buds are large, full and firm, elegantly pointed, showing depth and richness as they expand. The superb flowers are clear, rich pink.

White Maman Cochet. Snowy white, with sometimes a faint tinge of pink.

Red Maman Cochet (Helen Gould). The flowers are very full, perfectly double; buds long and pointed. Color warm, rosy crimson, hardy everywhere.

Yellow Maman Cochet. A typical Cochet Rose, of a deep sulphur yellow.

Crimson Maman Cochet (Etoile de France). Clear shade of red crimson.

Special Offer of Cochet Roses

One each of the five colors, strong plants, postpaid, for \$1.00. Two-year-old plants, one of each, five in all, \$3.50, by express; \$4.00 by parcel post, prepaid.

Lady Hillington

Apricot yellow shaded to orange on the outer edge of the petals, becoming deeper and more intense toward the center of the bloom. The color does not fade after the bloom is cut, but invariably becomes darker. Buds are produced on long, strong, wirey stems, well above the foliage, producing a slender and graceful effect. A strong, hearty, healthful grower.

Catherine Mermet. One of the best varieties of Tea Roses. A very free bloomer, producing clear, shining pink flowers, the center being shaded fawn and amber. It is a good Rose for open ground culture and forcing under glass.

Papa Gontier. A strong, vigorous grower and constant bloomer; one of the very best and most valuable, both for open ground and greenhouse; color rich cherry-red, passing to clear glowing crimson. One of the best for all purposes, with immense buds and magnificent flowers.

Freiher Van Marshall. The color is bright red, one of the best red Tea Roses that is known.

The Queen. Of vigorous and healthy growth, sweetly scented. A constant bloomer, producing profuse crops of buds and flowers; the buds are well shaped, with large petals of best substance. White.

Mad. de Watteville. The Tulip Rose. The color is a magnificent shade of creamy-yellow, richly colored with rosy blush; the large petals are bordered with bright crimson, giving it a very striking and beautiful appearance.

25c Each for all Roses on this page, except where noted; 5 for \$1.00; two-year-old plants, 75 cts. each; \$7.50 per dozen by express, collect; 85 cts. each by parcel post, with soil on roots.

TEA ROSES—Con.

The Bride

There is no other white Rose more satisfactory than The Bride. When planted in the open ground, the flowers are sometimes found to be delicately tinted with pink, making it exceedingly attractive. The buds and flowers are unusually large, well formed and deliciously perfumed.

Bridesmaid. This variety is valuable for cutting and does finely in the open ground; a sport from the old and popular Pink Tea, Catherine Mermet, but of a fine, clear dark pink, much deeper and more constant in color, than Mermet. The bush is a strong, sturdy grower, bearing all summer a profusion of dainty, beautiful flowers.

Marie Van Houtte. It is a strong and sturdy grower, blooming constantly, with great freedom. The color of the flowers, which are large, full and double, is pale canary-yellow, passing to rich, creamy white shaded with pale rose.

Marie Guillot. We recommend it as one of the most reliable white Tea.

Marie Lambert, or Snowflake. Large, double, creamy white flowers are produced in marvelous profusion. It is unusually hardy and grows vigorously. The foliage is very substantial, of attractive dark green color and practically free from disease.

Madame Lambert. Color a magnificent shade of rosy bronze, changing to salmon and fawn, tinted with carmine.

Mrs. B. R. Cant. Strong growing variety, producing heavy stems, with large, healthy foliage and flowers almost the equal and style of Helen Gould, but more double; deep rose, with silvery rose center.

Etoile de Lyon. It blooms freely, producing beautifully formed flowers of rich golden yellow; extremely hardy.

Enchantress. A free bloomer, bearing immense globular flowers in large clusters; a vigorous grower. Color creamy white, tinged with buff in center.

Golden Gate. Immense in size, finely formed with long and beautiful buds. Color, rich creamy white, shaded with golden yellow and clear rose, of indescribable beauty.

Mad. Francisca Kruger. Of strong and vigorous growth and a constant bloomer, which is especially suited to bedding or massing. The flowers are deeply shaded coppery-yellow in color, and are of large size.

Isabella Sprunt. Golden yellow; free bloomer; very fragrant. Fine cut flower.

Blumenschmidt. A splendid bedding Rose of the Cochet type, glowing all summer with its wealth of citron-yellow flowers, each petal of which is edged with dainty rose. The individual flowers are large and well formed, resembling in many ways some of the handsomest Tea Roses.

Cornelia Cook. The flowers are borne in great profusion and are very desirable. The color is pure creamy white, tinged with lemon and blush.

Lady Plymouth. A Rose similar to Souv. de Pierre Notting, which means a handsome bud and full, double bloom of large size. Color is delicate pearly but deep ivory cream, faintly flushed.

Maiden's Blush. Produces a fine, healthy bush, with fine, large, bright green foliage, edged with red—almost disease and insect proof. Color a soft blending of salmon-pink, rose-pink, and flesh tints.

Safrano. The color is a bright apricot-yellow, passing to orange and fawn, sometimes tinted with rose.

Ivory. A sport of Golden Gate. Color pure white without a particle of any other color. Good grower.

Price, 25 cts. each for all Roses on this page, first size plants, except where noted; 5 for \$1.00, postpaid; two-year-old plants, 75 cts. each; \$7.50 per dozen, by express, of one or more varieties, or 85 cts. each by parcel post prepaid with soil on roots.

The Exquisite
"Baby Doll"

Polyantha or Fairie Roses

The members of this distinct and charming class of everblooming Roses, of which the Baby Rambler forms a conspicuous group, are distinguished by their dwarf, bushy habit of growth, medium size, very double flowers and delightful fragrance.

Price of all Polyantha Roses on this page, first-size plants, 25 cts. each; 5 for \$1.00; two-year-old plants, 75 cts. each; \$7.50 per dozen; 85 cts. each by parcel post, with soil on roots.

Mlle. Cecile Bruner. Rosy pink on rich creamy white ground; a great bloomer; very satisfactory for bedding.

Marie Pavie. Medium size, very full and double; borne in large clusters; white flushed with carmine.

Perle d'Or. Coppery gold, changing to fawn and salmon; flat-rayed form, very double; elegantly perfumed.

Mignon. Very similar to Mlle. Cecile Bruner, but of lighter shade of pink, buds equally as handsome as the Cecile Bruner.

Baby Doll. The flowers are miniature in size but magnificent in form and produced by the hundreds, exquisite for cutting or bouquets and bedding purposes. Makes a magnificent show in the open ground, always blooming from early spring until late fall. The tips of the petals are vivid scarlet, then mellowing down through shades of pink into saffron, lavender and gold, finally into deep old gold, a combination so extraordinary and so pleasing that every one seeing it exclaims, "What a Wonderful Rose!" Foliage slender and produced in abundance, dark lustre green. Makes a fine pot plant for winter blooming. Blooms all the time.

Orleans. The most attractive of all the Baby Rambler Roses. A very rapid grower, soon producing a bush resembling a huge bouquet of brilliant geranium red flowers, suffused rose, with a rosy-white center.

Erna Teschendorf. Crimson flushed carmine. Darker red than Crimson Baby.

Clotilde Soupert. Known the world over as one of the very best of all bedding Roses. A strong, dwarf grower and a truly wonderful bloomer, producing clusters after clusters of the finest formed flowers. Full and double, and deliciously sweet. Color effect is beautiful, ivory-white, shading toward the center to silvery-rose.

GEO. ELGER. It produces great quantities of lovely little buds of golden-yellow, opening into miniature symmetrical Roses. Bush is so loaded with blooms they resemble a huge bouquet.

DOUBLE WHITE BABY RAMBLER. Great masses of double, pure white flowers, covering the plant as with a mantle.

Dingee Famous Hardy June Roses

There is little question that Hybrid Perpetual Roses, or "June Roses," as they are sometimes called, are the most valuable of all hardy plants. They are of vigorous, upright growth, have large, bold flowers, frequently measuring 5 to 6 inches in diameter, and are deliciously fragrant. These Roses will succeed in any locality and are so hardy that they will live through the severest winters with but a light protection of leaves or coarse manure. Some of the kinds do not bloom until the second year, but, when fully established, they all bloom freely at the usual time, early in the season. The Hybrid Perpetuals will stand hardship and neglect, but give much better results with good cultivation and rich soil. Always plant in open ground, as these Roses are not suitable for house culture. Our collection of Hybrid Perpetuals is by far the best in the country. The plants we send out are strong and hearty and on own roots. Fall is the most suitable time for planting these.

Prices of all Roses in this section, except where noted: First-size, 30 cts. each; 4 for \$1.00. Two-year-old plants, 85 cts. each; \$8.50 doz. by express collect; 95 cts. each by parcel post, prepaid, with soil on roots.

J. B. Clark

An intense deep scarlet-rose, shaded blackish-crimson, color like the sheen of a plum, often 7 inches in diameter and 5 inches deep. J. B. Clark has created a great sensation throughout the United States and Europe. A wonderfully strong and upright grower, exceedingly vigorous, with splendid and heavy dark bronze-green foliage. The glory of the plant is in its flowers, however, as they are extraordinary in size, full and double, wonderfully fragrant, of great depth, and borne freely from the first year, on long, stiff stems. This Rose has proven hardy, even in Canada, and a genuine treat is in store for everyone who plants it. We have a large stock of own-root plants, all in splendid condition.

Anna de Diesbach (Glory of Paris). Most lovely brilliant carmine; long, pointed buds, and large, finely formed compact flowers.

François Levet. One of the best and most satisfactory of all Hybrid Roses; we recommend it highly for general planting.

General Jacqueminot. Bright, shining crimson, rich and velvety; exceedingly brilliant.

Magna Charta. Extra large, full flowers, very double; of fine form and sweet; clear, rosy-red, beautifully flushed with violet crimson.

La Reine. Clear, bright rose; large, fine, full form; fragrant and hardy.

Paul Neyron. The flowers are immense; probably the largest and finest Rose; bright, shining pink; clear and beautiful; very double and full.

Coquette des Blancches. Pure snowy white, sometimes faintly tinged with pale rose; blooms in large clusters; medium size, full and slightly fragrant.

Mrs. John Laing. Immense flowers, full and double, borne in great profusion on long, stiff stems, and exceedingly sweet. Clear, bright, shining pink.

Eugene Furst. Strong, vigorous grower, with thick, healthy foliage. Flowers beautiful, velvety crimson, shading to maroon.

Ulrich Brunner. A great Rose, known to all planters as one of the best in this class. Immense, large, bold flowers, full and globular; rich, glowing crimson, elegantly flamed with scarlet. Hardy, unusually free blooming. Highly fragrant.

Black Prince. Much sought after because of its dark crimson flowers, which are shaded so deeply as to be almost black; cupped large, full, fine-shaped.

Boule de Nieve. A very hardy, pure white variety, medium size; very full, double flowers of delightful fragrance. Makes a fine pot plant for winter blooming. Blooms all the time.

J. B. Clark

Gloire Lyonnaise Brilliant White Rose

Great Roses are made all the greater by the publicity given them. Frequently a variety of more than ordinary worth is allowed to "waste its sweetness on the desert air" because the public is unacquainted with its merits. This is especially true of this great variety. Makes strong, upright bush, with beautiful deep green foliage; practically thornless. While a Hybrid Perpetual, yet like the Hybrid Tea Roses, bears in greatest profusion large, pointed buds and massive flowers on long, stiff heavy shoots; the open flower is enormous, full deep and double. Rich creamy-white, passing, when open, to a pale shade of salmon-yellow, deepest at the center. Absolutely hardy everywhere.

Prince Camille de Rohan. Celebrated the world over for its large, handsome, fragrant flowers, and the freedom with which they are produced. The color is a deep, rich velvety crimson, passing to intense maroon, shaded black.

Vick's Caprice. Flowers large and slightly cup-shaped but full and deep; petals thick and lasting having the ground color clear, satiny pink, distinctly striped and dashed with white and bright carmine. Blooms freely at short intervals during the whole season.

Marshall P. Wilder. Flowers large, semi-globular, full and of good substance; bright scarlet-crimson, richly shaded with maroon.

Louis Van Houtte. Brilliant vinous crimson; large, full and fragrant; an excellent sort and one that we recommend most highly.

Mad. Alfred Carriere. Extra large, full flowers; very double and sweet, rich, creamy-white faintly tinged with pale yellow.

Clio. A really grand Rose. On the order of Baroness Rothschild. Recommended by expert growers as the finest Rose of this type. Strong, vigorous grower, handsome foliage. Flowers flesh color, shaded in the center with rosy-pink; large, of fine globular form, freely produced.

Christine Wright

Dingee Hardy Climbing Roses

Hardy Climbing Roses have the popular call. They have become an absolute necessity for beautifying the home, for training over porches, verandas, trellises and pergolas, and they make most beautiful flowering hedges when trained on low supports. All the Climbing Roses in our unequalled list are **on their own roots**—a most vital point in a Climbing Rose. Some are absolutely hardy in the coldest parts of the country, while others, growing luxuriantly in the middle and southern sections, require some slight protection in the north. **Fall planting is particularly recommended for this class of Rose**, as they make much better growth the following season than if planted in the spring. They are pot-grown and in the right condition. Order early and give them a chance to establish.

Price, first size, 25 cts. each; 5 for \$1.00; two-year-old plants, 75 cts. each; \$7.50 per doz., by express; 85 cts. each by parcel post, with soil.

Christine Wright

A cross between Mad. Caroline Testout and an unknown seedling. Has the constitution of an oak, with thick, leathery, dark green foliage, practically immune from insects or disease. Blooms are produced singly and in large clusters, each bloom perfect in form and from 3 to 4 inches in diameter. Color an exquisite shade of bright wild-rose pink.

KEYSTONE. Perfectly hardy everywhere, blooms in wonderful profusion. The open flower of Keystone is perfectly double, with buds beautifully formed. It is a deep lemon-yellow Rose, similar to Coquette de Lyon. The fragrance is much like that of magnolia blossoms.

Alberic Barbier. A thrifty yellow; flowers are bright and full, very fragrant.

American Pillar. Produce a profusion of pretty pink flowers, dark green foliage.

Climbing Killarney. Produce beautiful blooms, identical with the bush Killarney.

Triumphant. Deep rose, changing to pale carmine, shaded and variegated.

Tausendschon or Thousand Beauties. One of the most beautiful climbing Roses in existence. Colors run from delicate balsam to bright rose and carmine.

White Dorothy Perkins. A very rampant grower. Flowers are brilliant, glistening white, product in great trusses.

Violet Blue. The flowers are borne in loose clusters and are of a delightful shade of blue.

Excelsa. A remarkable grower, free from insects and producing a great quantity of blooms of crimson maroon with the tips of the petals scarlet.

Climb. American Beauty. A real American Beauty of a climbing habit. Sturdy as an oak. Color glowing red.

Paul's Scarlet Climber. Vivid scarlet shaded slightly crimson, but almost a flaming scarlet, a most pleasing and striking color. Makes a brilliant display for a long time in the garden. The petals do not fade like many climbing Roses, but retain their bright color, and remains in bloom for from two to four weeks. The Rose received the gold medal and cup for the best Climbing Rose at the National Rose Society's exhibit.

Empress of China. The Apple Blossom Rose. Soft red changing to pink.

Philada. Crimson Rambler. Earlier than the Crimson Rambler and free from mildew. Color dark crimson.

Pride of Washington. Bright amaranth shaded rose center. Large, double clusters.

Crimson Rambler. The old Crimson Rambler. A rank climber.

Climbing Baby Rambler and **everblooming Crimson Baby Rambler.** Flowers, bright crimson, in clusters.

Dorothy Perkins. A brilliant pink rambler Rose, flowers in large clusters, prettily crinkled petals.

Newport Fairy. An everbloomer, producing an abundance of single, deep pink flowers.

Lady Gay. Vigorous Grower. Flowers a delicate cherry pink fading to soft white.

Leuchstern. Large bunches of single flowers of bright rose with white eye.

Dr. W. Van Fleet. Flowers when open run four inches and over in diameter. The center is built high, petals beautifully undulated and cupped. The color is a remarkably delicate shade of flesh-pink on the outer surface, deepening to rosy flesh in the center. The flowers are full and double, of delicate perfume; buds pointed.

Silver Moon. Single flowers, extra large and freely produced on long, strong stems; excellent for cutting. Color is brilliant silvery-white with a mass of golden-yellow stamens in center.

Birdie Bye. Buds long and pointed. Color bright carmine, changing to bright satiny-rose as they open. Blooms produced at end of every shoot in clusters.

Climbing Clotilde Soupert. An offspring of that famous Rose Clotilde Soupert, this beautiful, hardy, everblooming climber is excellent in every way. The ivory-white color, shading toward the center to silvery-rose, gives an effect that is indescribably beautiful.

Dingee Hardy Climbing Hybrid Tea Roses

The Roses on this page are noted for the exquisite beauty of their flowers, rivaling as they do, those of the Hybrid Tea class. They are all wonderfully strong growing, hardy and vigorous, and in constant bloom all summer. In the middle sections of the country and in the Northwest they thrive and bloom most luxuriantly, while in the warmer sections they fairly run riot in their glory of growth and bloom. Even in the coldest Northern States they grow to perfection, but will require some slight protection in winter.

Climbing Gruss an Teplitz

or VIRGINIA R. COXE. A valuable addition to this class of Roses so rapidly coming into popularity on account of their blooming qualities. This is an exact counterpart of the Bush Rose Gruss an Teplitz, but a vigorous climber, attaining a height of 10 to 15 feet in a single season. When it first blooms in the spring it is a dazzling sheet of velvety crimson.

MRS. ROBERT PEARY. A strong and rapid grower, coming to perfection in the open ground. The buds are long and pointed, finely modeled and gracefully finished, while the fragrance is indeed delicious. The flowers when open are of splendid substance, extra large, deep and double, produced on long, stiff stems. Color pure white.

CLIMBING METEOR. A sport from Meteor, famous for its magnificent flowers. True climbing habit, attaining a height of 10 to 15 feet in a single season. Dark velvety crimson, the equal of any Rose in cultivation.

CLIMBING LADY ASHTOWN. Strong, rapid grower, producing large, delicate, pink flowers in abundance.

CLIMBING WOOTON. Superbly formed flowers in wonderful profusion, of bright magenta-red, passing to violet crimson, richly shaded.

MARECHAL NIEL. This is the wonderful garden Rose our friends in the Southland are so fortunate in being able to grow in their gardens to perfection, and which yields such splendid returns if given slight protection and care in the North. Buds and flowers superb; extra large, very double and deliciously perfumed. Deep golden yellow. Blooms with greatest freedom. In the North, should have very careful protection in open ground during winter.

SOLFATERRE (M. H.). Climbing habit; fine clear sulphur-yellow; large, full and double.

WILLIAM ALLEN RICHARDSON. (M. H.) Coppery-yellow, flushed with carmine.

CLIMBING MARIE GUILLOT. Pure snow-white, tinged with pale yellow.

FORTUNE'S DOUBLE YELLOW (M. H.). Bronzed yellow or coppery and fawn color.

JAMES SPRUNT. Deep cherry-red, double.

GARDENIA. Very fragrant; creamy yellow.

CLIMBING CECILE BRUNER. Color rosy pink, rich, creamy white ground. Needs protection.

CLIMBING PERLE DES JARDINS (M. H.). Same as the grand old Perle des Jardins.

CLIMBING REINE MARIE HENRIETTE. Striped and flamed in bright carmine and rose.

WHITE MARECHAL NIEL. Identical with its parent, Yellow Marechal Niel, but pure white.

CLIMBING WHITE MAMAN COCHET. The exquisite white flowers, every one of which is a perfect specimen of the White Maman Cochet Rose, are borne in great profusion, fairly covering the plant all summer, for it is one of the most constant bloomers of all the white climbing Roses. It is absolutely hardy, except in the extreme North, where it requires some slight protection.

Climbing
Gruss an Teplitz

Climbing Pink Maman Cochet

A pure Maman Cochet Rose of the climbing habit, and as there is no Rose that is as popular as the Cochet we feel confident in offering this climbing Rose to the rose-loving public that it will prove to be as popular as the Bush Rose of this name, as it is an exact counterpart of the bush variety. As free blooming as the Cochet, which will without doubt make it a very valuable addition to the climbing roses, sufficiently hardy to withstand the vigor of the northern winters with some protection, and blooming throughout the growing season.

BALTIMORE BELLE. Pale blush, variegated carmine-rose and white. Very double flowers in beautiful clusters.

Moss Roses—The Old-Time Favorites

Entirely hardy everywhere. Once planted are practically permanent. Flowers and buds have an abundance of lovely deep green moss.

BLANCHE MOREAU. Produced in clusters, large, full and sweet; pure white; beautifully mossed.

HENRI MARTIN. A splendid Moss Rose of a delightful pink, with buds beautifully mossed. Bush is extra hardy and profuse in bloom.

PRINCESS ADELAIDE. A most, beautifully mossed Rose of an exquisite shade of pink.

ELIZABETH ROWE. This is an old favorite with its large deep pink buds well mossed. A beauty.

MOUSSLINE. Pure white flowers, buds beautifully mossed.

Prices of all Roses on this page, except where noted, first-size plants, 30 cts. each; 4 for \$1.00, postpaid; two-year-old plants, 85 cts. each, by express; \$8.50 per dozen, or 95 cts. each by parcel post, prepaid, with soil on roots.

The Best Winter-Blooming Geraniums

Choice Double

Strong plants, from 3-inch pots, 15 cts. each, \$1.50 per dozen.

Alphonse Ricard. Semi-double; orange red.

Cousin Janie. Clear rich pink, slightly spotted light red.

Jules Vasseur. Bright scarlet, white center.

Jean Vaud. Soft pink, white blotches.

Berthe de Priscilla. Dwarf habit. Fine bedder. Bright silver rose-pink.

John Doyle. Rich scarlet. Very effective.

Countess de Harcourt. Pure snow-white.

Mme. Buchner. Snow-white; vigorous.

Mme. Recamier. Pure white. Strong grower. One of the best whites.

S. A. Nutt. Rich, dark crimson. Superb.

Fleuve Blanc. Pure white. Dark green foliage. Compact grower.

Double Dryden. Coral white center, shading through a delicate lilac. Ideal pot plant.

Beaute Poitevine. Bright salmon-pink.

Dr. Despres. Changeable violet, marked vermilion.

Double New Life. Outer flowers brilliant red, center pure white flowers.

Choice Single

La Favorite. Snowy-white; superb.

Granville. Deep rose-pink with white blotches on upper petals.

Jacquerie. Deep carmine-red.

Feuer. Brilliant crimson-red. Dwarf growth.

Antithese. Vermilion-scarlet.

Edmond Blanc. Large trusses of bright crimson. Coppery center.

Clifton. Solid color of bright red.

Dingee Geranium

Fancy and Sweet-scented Geraniums

Strong plants, 15 cts. each; \$1.50 per dozen.

Madame Salteroi. Green, dotted white.

Apple-Scented. A grand old favorite.

Rose-Scented. Delightful rose scent.

Lemon-scented. Deliciously scented.

Giant Persian Cyclamen

Ivy-Leaved Geraniums

Price, strong plants, 15 cts. each; \$1.50 per dozen.

Dina Sclerandis. Double white, tinged lilac.

Rycroft's Surprise. Beautiful shade of rich pink.

Mrs. Banks. Blush white, upper petals feathered deep pink; semi-double.

Alliance. Delicate lilac-white, upper petals feathered and blotched crimson-rose.

Pierre Crozy. Bright scarlet, dwarf, compact habit.

Dingee Choicest Fuchsias

Strong plants, sure to bloom, 20 cts. each; 3 for 50 cts., postpaid.

Speciosa. Scarlet and white.

Trophy. Purple; extra large.

The Black Prince. A misnomer as far as name is concerned, being of a bright, waxy carmine; tube and petals large and broad, with pale green tips; large, open, pale pink corolla.

Elm City. One of the best; sepals a rich crimson; corolla deep purple and very double; free flowering and easy to grow.

Phenomenal. Finest, free blooming, double; sepals of bright crimson, corolla purple.

Giant Persian Cyclamen

The most beautiful and decorative of all pot plants. The foliage is dark olive-green, beautifully variegated with silver and rose. The fairy-like flowers are carried on long stems, produced for several successive months. The flowers, which are of odd form, embrace every delightful shade of color and are a distinctive feature of this handsome house plant. We offer splendid strong plants in white, rose, crimson or salmon in large plants from 3 to 4 inch pots ready to bloom, at 50 cts. each; 6 for \$2.50.

Crimum Ornatum. This royal member of the Amaryllis family produces numerous spikes of large, fragrant, lily-like flowers, white, with deep pink stripe in the center of each petal. **Prices, first size, about 9 to 11 inches circumference, 50 cts. each. Second size, about 11 to 13 inches circumference, 75 cts. each.**

Amaryllis Regina. Lily-like flowers in clusters. Light scarlet, with lighter throat. 25 cts. each.

Whitmanii Fern

Dingee Palms

ARECA LUTESCENS. Trunk and stem, golden green. Strong plants, 6 to 8 inches high, 25 cts. each; 3 for 60 cts., postpaid; large plants, 14 to 16 inches high, 75 cts. each, postpaid.

COCOS WEDDELIANA. The daintiest of all Palms. Strong plants, 3-inch pots, 50 cts.

KENTIA. The grandest of all Palms. *Kentia Belmoreana* is the tallest grower, while *Kentia Forsteriana* has the broadest leaves. Strong plants, 25 cts. each, postpaid.

LATANIA BORBONICA. Divided, fan-shaped leaves. Strong plants, 25 cts. each; postpaid.

PHOENIX ROEBELINI. Graceful, long, Palm foliage. 35 cts. each.

Miscellaneous Plants

ASPARAGUS SPRENGERI. For pots, vases or hanging baskets. The long, slender branches droop most gracefully, clothed with feathery, emerald green fronds. Strong plants, 20 cts. each; 3 for 50 cts.

ASPARAGUS PLUMOSUS. Foliage surpasses a Maidenhair Fern; in grace and finish resembles the finest lace. Elegant for cutting; one of the best plants in our collection. 20 cts. each; 3 for 50 cts.

NEW WEEPING LANTANA. Beautiful for baskets, vases, pots or for outdoor culture and porch boxes. Produces its clear lilac-pink flowers by the hundreds from early summer until severe frosts. Deliciously fragrant. Has a most graceful habit of growth. 20 cts. each; 3 for 50 cts.

HIBISCUS SINENSIS. All varieties, 20 cts. each; 3 for 50 cts.

Peachblow. Pink, with crimson center.

Versicolor. Buff, rose and white.

Cooperi Tricolor. Crimson, very large.

Minniatius Semiplenus. Vermilion-scarlet.

AMARYLLIS JOHNSONI. The best known of the Amaryllis, with rich, deep, velvety crimson flowers borne in large clusters on long stems. Each petal is striped with white. The bulbs send up from two to four flower-spikes and their cultivation is of the easiest. Extra large, blooming bulb, 75 cts. each, postpaid.

Pot Hydrangeas

Excellent for pot culture for blooming indoors during the winter. The foliage keeps dark green throughout the winter, making them an ideal decorative plant. They can also be planted outdoors, as they are hardy and live out over winter.

OTAKSA. Rich pink, changing to snow-white and blue.

AVALANCHE. Large corymbs of pure white flowers.

GENERAL DE VIBRAYE. Very large heads of bright rose.
Price, 25 cts. each; five for \$1.00, postpaid; large specimen plants from 4 to 6-inch pots, 75 cts. each, by express.

Decorative Ferns

Use a soil composed of five parts; two parts of good garden soil, two parts of finely screened peat or leaf mold from the woods, and one part sharp, clean sand. This should then be thoroughly sterilized by putting in an oven and baking in order to destroy earth worms, etc. Place some broken pieces of pots or crocks and some charcoal in the bottom of each pot for drainage. A temperature of not less than 55 degrees F. should be maintained at all times, with a rise in the daytime of 10 degrees to 15 degrees. Judgment should be exercised in watering. On warm days they should be syringed at least twice. Never allow them to become too dry. Insects which are most troublesome are thrips, red spider, scale and mealy bug. Thrips, red spider and mealy bug are easily prevented by a properly moistened atmosphere, also by spraying of foliage once a week with tobacco water, made the consistency of weak tea, and increased or diminished in strength as occasion demands.

TEDDY, JR. Fronds are broad and beautifully tapered from the base to the tip, drooping just enough to make a graceful plant. Compact, vigorous and thrives under most any condition.

ROOSEVELT. Resembles the Boston Fern, but produces many more fronds, thus making a handsomer and bushier plant.

JACKSONII. Extremely strong grower. Resembling Sword Fern, quickly forming large, upright plant.

WHITMANII COMPACTA. This is a condensed form of the "Ostrich Plume Fern", with valuable characteristics added which are not evident in the parent, the pinnae subdividing making miniature fronds, looking as if two or more were condensed in one. Graceful beyond description.

THE BOSTON FERN. This Fern differs from the ordinary Sword Fern in having much longer fronds, which frequently attain a length of six feet, drooping gracefully over the side of the pot or jardiniere, and on this account it is frequently called the Fountain Fern.

WHITMANII (Ostrich Plume Fern). More of a dwarf habit than the Boston Fern. The fronds are of entirely different nature. Each frond is subdivided on the order of the Compacta Fern, thus producing a very beautiful effect. Very decorative.

MAIDENHAIR (Adiantum Cuneatum). The best known table Fern, with dainty, lacy fronds, unlike any other.

Price of all Ferns in extra strong pot plants, 20 cts. each; 6 for \$1.00; large plants from 4 and 5-inch pots, 75 cts. each, postpaid.

Kentia Palm

Dingee Hardy Peonies

For Fall Planting

Of all the flowers in the Hardy Garden the Peony is easily recognized as the Queen—in fact, it vies with the Rose for the title in many ways, for while in bloom it is without question the most glorious object in the garden. Once Peonies are planted they last for a life time. They stand the severest winters without the slightest protection. Especially fine for single specimens and cemetery planting. After blooming their charm lies in the beauty of the foliage, for even when not in bloom the Peony plant is decorative in the extreme and well worthy of a prominent place in the garden.

We offer only the cream of the many hundred varieties. Don't buy the cheap kinds. They require just as much care, but don't produce the blooms.

New and Rare Peonies

Sarah Bernhardt. (Illustrated on Front Cover.) Strong grower. Flowers remarkable size, full and double. Large petals that are imbricated, twisted and fimbriated. Color apple blossom-pink with each petal silver tipped; fragrance excellent. Magnificent. Price, \$3.00 each.

"Lord Kitchner." One of the latest and the best introductions of Peonies today. Color a brilliant scarlet. Great producer making a grand display. Double, early. Price, \$2.00 each.

Standard Varieties

Price, strong roots, 75 cts. each, except where noted: \$7.50 per dozen.

Caroline Allen. Double. Rose and Salmon.
Candidissima. Double. Creamy white.
Canary. Double. White primrose center, late.
Charlemagne. Lilac, white slight blush center. Double.

Duchesse de Nemours. Sulphur-white, changing to pure white. Particularly beautiful in the half-open bud state. Double, late.

Duke of Wellington. Sulphur-white. Double, late.

Dingee Peony

Edulis Superba. Double. Early. Beautiful brilliant pink.

Faust. Delicate light pink; double, late.

Felix Crousse. Brilliant red. Extra fine. Double, midseason.

Festiva Maxima. White center, flaked red. Double, early.

Festiva Alba. Cream-white, red spots. Double, late.

Francois Ortegat. Deep crimson. Double.

Humei. Cherry pink. Highly cinnamon scented.

Humei Carne. Clear flesh tinged rose.

Insignis. Carmine rose. Very fragrant.

Jeanne D'Arc. Pure white. Early, double.

L'Eclatante. Double. Crimson red.

Louis Van Houtte. Velvety red. Double, late.

Lady Bramwell. Pink and rose. Double, midseason.

Louis Parmentier. Double. Bright red.

Modeste Guerin. Deep rose. Double, midseason.

Marchal Valliant. Double. Mauve pink.

Nobilissima. Dark violet red.

Rosea Elegans. Soft rose. Double.

Rubens. Dark crimson. Double, midseason.

Rubra Triumphante. Purplish crimson.

Triumph Du Nord. Light red.

Hydrangea Arborescens Grandiflora

The New Everblooming Hydrangea is, as its name implies, constantly in bloom from early in June until frost, and is one of the most important additions in the way of hardy shrubs ever introduced. All summer long it bears great clusters of white flowers, much like the tender Hydrangea in size and form; it will grow to perfection in partial shade, making it most valuable for massing under trees or growing on north side of house. Handsome bright green foliage.

Price, strong, vigorous plants, well rooted, 35 cts. each; 3 for \$1.00, postpaid; larger, field-grown plants, with several branches, fine roots, 75 cts. each; \$7.50 doz., postpaid. Extra heavy 3 ft. plants \$1.00 by express.

New Everblooming Hydrangea

Hardy Phlox

Dingee Hardy Violets

Rich in modest beauty and famed for its enchanting fragrance, the Violet continues to increase in popularity. With the last snows of winter still about it this gentle flower shyly appears from out its icy bed, heralding the coming of spring. All our plants are absolutely clean and healthy and will produce highly satisfactory results. **Prices, strong plants, 12½ cts. each; any 12 for \$1.25; \$10.00 per 100.**

Marie Lynch. In color it is a charming shade of lavender-pink and the foliage is a rich dark green. **California.** The largest violet in cultivation. Rich violet-blue; flowers on long stems.

Lady Hume Campbell. Double blue. Strong, healthy and perfectly hardy.

Prince of Wales. One of the best. The large, blue, single flowers are deliciously fragrant.

Swanley White. Pure white, perfectly double, fragrant.

Peacock, New Violet. This is an entrancingly beautiful new Violet; the markings of its charming colors are difficult to describe. The prevailing color is white, with delicate tracings and markings of sky-blue.

Hardy Perennials

Funkia (Day Lily) Subcordata Grandiflora. White Day Lily. Handsome spikes of large, waxy-like blossoms, with an odor like that of orange blossoms, and large, broad, glossy, light-green foliage. One foot to 18 inches. **25 cts. each, postpaid.**

Funkia Aurea Variegata. Flowers purplish-lilac; leaves beautiful, variegated green and gold. **2 feet. 25 cts. each, postpaid.**

Hibiscus Meehan's Marvel Mallow. Without exception the finest production among the Hardy Plant line in years. They make a bush-like growth from 4 to 5 feet high and 2 to 3 feet across. The flowers are of an enormous size, frequently 8 to 10 inches in diameter and ranging in color from fiery crimson through various shades of red, pink and white. Require no care or protection. **Price, mixed colors, Pink, Red or White, strong 2-year-old field-grown roots, 75 cts. each, postpaid.**

Yucca Filamentosa-Spanish Bayonet. A low-growing evergreen plant with narrow leaves. The flower stalk is from 2 to 4 feet high and rises from the center. Creamy white, bell-shaped flowers. **25 cts. each, postpaid.**

Delphinium, Belladonna. Everblooming hardy Larkspur. The most beautiful sky blue of dwarf habit. 3 to 4 feet. Blooms all summer until cut down by frost.

Delphinium, Formosum. Deep gentian blue with white bee. Long spikes. 18 inches to 3 feet.

Delphinium, Chinese Album. A white flowered form. 2 feet.

Price of Delphinium, strong one-year roots, 25 cts. each, postpaid.

Dingee Choicest

Hardy Perennial Phlox

Diversified and brilliant colors, profuse and continuous bloom and adaptability to almost any situation or soil, place Hardy Phlox in the front rank of desirable flowering plants. Being perfectly hardy, once planted they improve and multiply in vigor and beauty each successive year. **Price, strong field clumps ready to plant any time, 20 cts. each; any 6 for \$1.00, postpaid.**

Diadem. Dwarf, pure white.

Eclaireur. Purplish-crimson; large.

White Eclaireur. Large; pure white.

Fernand Cortez. Tall; deep crimson.

G. A. Stephen. Brilliant scarlet.

Iris. Tall; bluish-violet.

Tapis Blanc. Dwarf; pure white.

Terre Neuve. Dwarf; grayish-lilac.

Brilliant. Clear blood-red.

L'Aiglon. Carmine-rose.

Mount Sully. Orange-scarlet, purple eye.

Mrs. Jenkins. Pure white.

Coquelicot. Pure scarlet with crimson eye. Fine.

Perle Rose. Rose-purple.

Selma. Tall; pale rose.

Suffrage. Lilac-mauve, rosy center.

Hardy Ornamental Grasses

For ornamental purposes these grasses are strikingly original in effect and impart a tropical brilliance to the landscape. The plumes which these grasses produce are beautiful for interior decoration.

Prices of all Eulalias and Erianthus described below. 25 cts. each; 5 for \$1.00.

Eulalia Gracillima Univittata. Forms an exceedingly handsome plant, 4 to 5 feet high.

E. Japonica Zebrina. The leaf blades are of deep green, distinctly striped crosswise with large bars of pure white.

E. Japonica Variegata. Blades are creamy white in the center, with a broad margin of bright green. Plumes are beautiful.

Erianthus Ravennae. Reed-like ornamental grass throwing up 30 to 40 fine erect flowerlike stalks 8 to 10 feet high the first season. The plumes are highly valued as parlor ornaments.

Hardy Climbing Vines

Clematis Paniculata. The flowers are pure white and are borne in great panicles or clusters of bloom, fairly covering the plants, so that it is a mass or sheet of fleecy white with an exquisite fragrance. It begins to bloom late in August the first year. Hardy in all sections of the country. **Strong plants in pots, 25 cts. each. Strong two-year-old field-grown plants, 50 cts. each, postpaid.**

Wistaria Magnifica. The finest Wistaria of its color now known. Extremely vigorous, growing 30 to 40 feet in one season when well established. The flowers are pale lilac, and the immense clusters of drooping racemes, which measure 12 to 18 inches in length, are deliciously fragrant. **25 cts. each; 5 for \$1.00, postpaid.**

Wistaria Alba. There is nothing more striking or appropriate for pergolas and ordinary trellises than this splendid vine. Pure white flowers. **25 cts. each; 5 for \$1.00, postpaid.**

Mammoth Flowered Trumpet Creeper (Bigonia Grandiflora). One of the most superb climbing vines in existence. Grows with rapidity, is perfectly hardy everywhere. The flowers are trumpet-shaped and warm orange-red. **Strong plants, 25 cts. each; 5 for \$1.00, postpaid.**

English Ivy. A splendid evergreen climber, with dark glossy green leaves; clings firmly to stone, brick or wood walls without trellis or support; very desirable. **25 cts. each; 5 for \$1.00.**

Ampelopsis Veitchii (Boston or Japanese Ivy). It covers buildings and walls with a perfect mat of dark green, leathery foliage, which changes to brilliant crimson as fall approaches. Clings to either tree or wood without support. **Price, field-grown plants, 25 cts. each. Large three-year old plants, 75 cts. each, postpaid.**

Hardy Shrubs for Permanent Planting •

They are absolutely hardy, and, once planted, last indefinitely, increasing in size and beauty year after year. For cold climate where hardy plants are needed they stand without an equal. Planted in clumps, masses or used for hedges, screens, or for filling unsightly corners, they make a glorious show. They supply that certain something which is lacking in every yard where hardy shrubbery is not planted. We recommend a liberal planting of this class of plants. They last a lifetime and are sure to give splendid satisfaction. Their culture is exceedingly simple. When received cut the plants back about one third their growth if not done before shipping. Set about three feet apart for a screen, but as individual specimens plant wherever desired. Water freely when planted, and for a few days afterward. No protection required. They may be planted as soon as the ground is ready to dig up until late spring. This class of plants should not be set out as early as Roses and other pot plants, so if your order contains some of them we will send the different varieties at the proper season.

Some varieties, such as Hydrangea, Snowball, Weigela, Deutzias, require pruning in early spring before new growth starts. Here with us it is done in late February or early March each season.

Hydrangea Paniculata Grandiflora

We grow and sell annually many thousands of these most popular of all shrubs. They are extensively used for yard, lawn and hedge planting and for screens. Attains a height of 5 to 7 feet; hardy in all localities; blooms the first and every season in July and August, and continues in bloom for two or three months; the flowers are massive, cone shaped, often measuring 10 inches in length, and have a pleasing variation of color, changing from original pure white to pink, and finally to beautiful, rich, coppery-red. Well rooted, field grown-plants that will bloom this year.

PRICE of plants on this page, one-year-old plants, 35 cts. each; 3 for \$1.00; strong, two-year-old, field-grown blooming plants, 75 cts. each. Heavy field-grown 3 or 4-year plants, \$1.00 each by express.

Double Japan Snowball in full bloom

Double Japan Snowball

Viburnum Plicatum. Blooms in early June, when the whole bush is loaded down with great, compact balls of pure white, double flowers. They are borne in such profusion that the entire plant appears one dense mass of bloom; the tree grows erect and bushy 6 to 8 feet high, with deep green leaves peculiarly crimped and crinkled. Wondrously beautiful.

VIBURNUM OPULUS STERILIS (Old-fashioned Snowball). A strong, hardy grower; pure white flowers. A showy class of shrubs of compact growth, luxuriant foliage and very free flowering.

Deutzia

Crenata. 4 to 6 feet; double white rose.

Fortunei. 4 to 6 feet; pure white.

Gracilis. 2 to 2½ feet. Drooping, white.

Pride of Rochester. Pure white, blush.

Lemoninei. New, immense. Purest white.

Lilacs (Syringa)

Best developed of all the old-time garden shrubs, whose flowers never fail to charm with their delicate beauty or refresh with their fragrance.

NEW PERSIAN. This grand Lilac blooms in early June.

Flowers beautiful reddish purple, very fragrant and borne in profusion; leaves rich, dark green, rather small, delicately shaded; habit of growth neat and compact.

WHITE. This rare and beautiful White Lilac is much sought after.

PURPLE. The old favorite and one of the best.

Price, two-year-old plants, 75 cts. each.

Althae-Rose of Sharon

The flowers are brilliant and striking in color, 9 to 12 feet high when matured. Blooms during August and September.

Alba Plena. Large, double, pure white flowers.

Blanche. The nearest pure white of any double variety.

Double Purple. Deep reddish purple.

Price, one-year-old field-grown plants 35 cts. each, 3 for \$1.00, postpaid; two-year-old plants 75 cts. each, by express.

Hydrangea Paniculata Grandiflora

Spirea Van Houtte

California Privet

The One Best Hedge Plant Combining Beauty, Hardiness and Efficiency

California Privet has long been recognized as the one very best plant for Hedge purposes, as it is remarkable for its beautiful, dark green glossy foliage, its quick, strong and symmetrical growth, its freedom from insects and scale, and its ability to withstand pruning and trimming into any desired shape.

For many years we have made a specialty of growing California Privet for Hedges, and our stock cannot be surpassed anywhere. It is strong, thrifty and in the best of shape for transplanting. Each one a specimen plant. We have it in all sizes, from one-year-old plants to large vigorous bushes which can be used with telling effect in the formation of an immediate hedge. These large plants are the most economical to buy, for with them the tedious years of waiting for the hedge to grow will be avoided.

First size, 12 to 18 inches, 10 cts. each; 6 for 50 cts., postpaid; \$5.00 per 100 by express. Second size, 2 to 3 feet, 15 cts. each; 5 for 50 cts., postpaid; \$8.00 per 100, by express or freight at purchaser's expense. (Orders for 50 filled at 100 rates.)

AMOR RIVER PRIVET. Similar in habit to California, but with dark, lustrous foliage and more upright habit of growth. Reputed to be harder. **Price, first-size plants, 12 to 18 inches in height, 10 cts. each; \$1.00 per dozen, postpaid; \$10.00 per 100 by express; larger two-year-old plants, 2 to 3 feet, \$15.00 per 100, by express, collect.**

BERBERIS THUNBERGI (Barberry). Grows 3 to 4 feet high; small, perfectly shaped, rich green leaves, turning in autumn to bright scarlet. Flowers a delicate shade of coppery yellow, followed by beautiful, brilliant red berries, clinging all winter. **Price, first-size plants, 8 to 12-inch, 15 cts. each, 8 for \$1.00; \$10.00 per 100 by express; larger plants, 18 to 24 inches, 50 cts. each, \$4.00 per doz., postpaid; \$20.00 per 100, by express or freight. 25 at 100 rate.**

Cinnamon Vine

A very well-known and most valuable climber. Quite hardy and excellently adapted for outdoor cultivation. It produces delicate white flowers in profusion during the winter if grown in a light and sunny window in the house. **Roots, 10 cts. each; 6 for 50 cts.**

HARDY SHRUBS—Con.

Spirea

Aurea (Golden Leaved). Bright golden yellow foliage and small white flowers.

Billardi. Spikes of rose colored flowers; blooms profusely.

Prunifolia (Bridal Wreath). Double, pure white flowers.

Thunbergi. Blooms in April; compact; fern-like leaves; flowers borne in clusters.

Van Houttei. The bushes form fine, compact clumps. The pure white flowers are borne in great masses.

Perpetual Blooming Crimson Spirea, Anthony Waterer. It makes a low, compact bush, 15 to 18 inches high. Large umbels of deep crimson flowers.

Weigela

Candida. Snow-white flowers; late June.

Lavallei. Deep red flowers, beautiful.

Rosea. Flowers are large and of a deep rose.

Variegated Leaf. Green leaves, pure white.

Eva Rathke. Rich reddish purple.

Rubra. Red, shading to light pink.

Price of all plants on this page, except where noted: Field-grown, one-year size, 35 cts. each, 3 for \$1.00, postpaid; two-year-old size, 75 cts. each; \$7.50 dozen, by freight or express; three-year-old size, 90 cts. each, by freight or express, at purchaser's expense.

Philadelphus or "Mock Orange"

BOUQUET BLANC. Dwarf growth with long slender branches densely covered from base to top with sweet-scented double flowers of creamy-white. In fact the flowers are borne in such great profusion as to totally obscure the plant. Spicy fragrance. **Two-year field-grown plants, 75 cts. each, postpaid.**

NEW PHILADELPHUS ("Virginal"). One of the most beautiful, new ever-blooming varieties. This is the new Philadelphia which is being used so much in hedge planting. It also makes wonderful individual specimen plants on the lawn. A vigorous tall grower with very large double-crested flowers with round petals. Pure white, sweetly scented; clusters of five to seven. **Two-year field-grown plants, 75 cts. each, postpaid.**

Walker's Excelsior Plant Food

comes as a boon. It is so simple, the good results so positive that there is no reason why any flower lover should be without a box of this, the essence of plant life. It is an odorless preparation, combining in a highly concentrated and soluble form every element required in plants to produce vigorous, healthy growth and profusion of flowers.

(Postpaid)

2½ oz. cans, making 3 gals.	\$0.20
5 oz. cans, making 6 gals.35
12½ oz. cans, making 15 gals.55

Honeysuckle

Price, 25 cts. each; two-year-old plants, 50 cts. each; assorted varieties, \$5.00 per dozen, postpaid.

Chinese Sweet Scented. White and yellow flowers.
Evergreen Sweet Scented. Buff, yellow and white.
New Halliana. Evergreen and a constant bloomer; flowers pure white, changing to yellow. Very fragrant.

Akebia Quinata. A lovely rapid-growing old-time vine with neat, clean foliage and graceful habit of growth. The clusters of violet-brown cinnamon-scented cup-shaped flowers are unique and attractive. One-year, 25 cts.; 5 for \$1.00, postpaid.

Miscellaneous Shrubs

CALYCANTHUS FLORIDUS (Carolina Allspice). (The Old Fashion Sweet Shrub.) Flowers purple; quite double, exquisitely fragrant and borne in profusion during the entire season.

FORSYTHIA Viridissima (Golden Bell). Height, 3 to 4 feet; bright yellow, bell-shaped flowers; blooms early.

PHILADELPHUS Grandiflora (Mock Orange). Blooms early in June; flowers creamy white and very fragrant.

TAMARIX AFRICANA (African Tamarisk). Graceful, erect-growing shrub, pretty pink flowers, leaves like evergreen.

Price, Miscellaneous Shrubs on this page, one-year-old size, 35 cts. each; 3 for \$1.00, postpaid; two-year-old size, 75 cts. each; \$7.50 per doz. by freight or express; three-year-old size, \$1.00 each, by freight or express, at purchaser's expense.

Stim-U-Plant Tablets

An excellent, odorless, highly concentrated plant food tablet form for all kinds of pot plants during the winter. Will increase growth and heighten color. These can be used in tablet form or dissolved in water. Complete directions with every package. Price, 10 tablets for 15 cts.; 30 for 25 cts.; 100 for 75 cts.; 1,000 for \$3.50, postpaid.

GARDENING FOR PLEASURE. Especially written for amateurs. 404 pages. Illustrated. Price, \$2.25, postpaid.

Dingee Special Lawn Grass Seed for Fall Sowing

It produces a smooth, velvety green sward of attractive appearance. Sow the seed carefully and evenly at the rate of one quart to a space equal to 15 x 20 feet; two bushels will sow one acre. After sowing, cover the seed by raking or harrowing it.

Seeding may be done at any time during spring, summer or fall, but the best results are obtained by sowing during April, May, September or October. Where fall sowing is practiced a top-dressing of manure is recommended to protect the roots of the young grass during the winter. In the spring the grass matter should be removed, leaving the surface clean. To renovate lawn, loosen the soil on the bare spots with a steel rake, and, after sowing a liberal quantity of seed, roll or rake again to cover the seed.

Price: By mail, 50 cts. per pound; in bulk, by express, 45 cts. per pound, 20 pounds or more.

Hardy Japan Lilies

These glorious flowers of radiant beauty are very hardy, grow rapidly and vigorously, and survive from year to year, forming a permanent and attractive feature of the garden. The bulbs should be planted about 6 to 8 inches deep, in good, light soil. We offer the most carefully selected sorts in large sound bulbs. Bulbs will be sent as soon as possible after arriving from Japan, which will be during November, which is the proper time to plant.

AURATUM. Magnificent pure white flowers, exquisitely spotted with rose, and rayed and banded with yellow. Valuable for pot or garden. Extra-selected enormous bulbs, 30 cts. each; four for \$1.00.

SPECIOSUM, or LANCIFOLIUM. The most satisfactory of all lilies. We offer the best varieties as follows:

S. Album. Pure white, 25 cts. each.

S. Melpomene. Frosted white, spotted, with pinkish crimson. Petals deeply recurved and widely bordered. 20 cts. each.

S. Rubrum. Bright crimson and white flowers; grows 2 to 3 feet. 25 cts. each.

S. Magnificum. Deep colored flowers of rich carmine-crimson spotted blood-red edged with white. 25 cts. each.

TIGRINUM FI. PL. (Double Tiger Lily). Deep fiery red, spotted with black. 25 cts. each.

TIGRINUM SPLENDENS (Single Tiger Lily). Orange with intense dark spots. 25 cts. each.

GIGANTEUM. Cream-white with purple throat. Gigantic plants, immense flowers. 25 cts. each.

HENRYI. The color, a rich apricot-yellow, lightly spotted with brown. 60 cts. each.

CANDIDUM (Annunciation or Madonna Lily). Garden Lily. Large white flowers. 25 cts. each.

PARDALIS (Leopard Lily). From California; entirely hardy; bright orange-red, with lighter orange center. Large clusters, 20 cts. each.

HUMMOLDII. Golden yellow, spotted purple. 40 cts. each.

WASHINGTONIANUM. Delicately tinted, white spotted. 40 cts.

Single Varieties, Double Varieties, Mixed. Pkt., 10 cts.

"CHARLES DINGEE"

The Most Wonderful Bush Rose in the World and a Great Winter Bloomer

(See the Colored Photographic Illustration on Back Cover)

To honor the name of Charles Dingee, we have produced a **Rose better than any other variety in cultivation.** We say, without fear of contradiction, that the Charles Dingee Rose is far-and-away the best garden Rose for general planting in the world.

It is always blooming, whether it is growing for us or growing for you. The flowers are beautiful beyond description, immense in size, deep, double and grandly formed. It is hardy everywhere.

The Charles Dingee Rose is the result of cross-breeding between **Hermosa**, that grand old hardy pink variety, and **White Maman Cochet**, perhaps the greatest of all white garden Roses—a superb parentage, which insures its offspring every point of excellence. With the hardy, vigorous constitution

of a Hybrid Perpetual, growing to perfection in almost any soil or situation it has the most magnificent foliage, absolutely free from disease, that we have ever seen on any Rose.

We have had it growing and blooming in all its glory in a temperature very little above freezing. Growing to a height of 2 to 3 feet, Charles Dingee blooms continuously, producing immense, deep, double, grandly formed flowers on long, stiff, erect stems; both in bud and bloom their beauty is nothing short of superb, practically impossible to describe because of the delicate blending of colors—rose tints in the center of the flower, gradually shading off into pale blush creamy white, a color effect both entirely new and distinct, exquisitely beautiful.

Caution We are the originators and sole owners of the Charles Dingee Rose. Imitations and so-called duplicates of it are intended to deceive. If a grower states that he can furnish another rose which is the same, but under another name, don't accept such, but secure the true Charles Dingee.

Strong one-year-old plants, 30 cts. each; 4 for \$1.00; \$3.00 per dozen, postpaid. Large two-year-old plants, on own roots, 75 cts. each; \$7.50 per dozen; 85 cts. each by Parcel Post with soil on roots; extra heavy three-year-old plants, magnificent specimens, ON OWN ROOTS, \$1.25 each, by express.

DINGEE WINTER BLOOMING CARNATIONS

(Illustration on opposite page).

As a fall and winter-blooming plant for house culture we recommend the Carnation as one of the very best. It is as easily grown as a Geranium and equally satisfactory. You know how high-priced Carnation blooms are during the winter. Don't buy them—grow them yourself. You can have an abundance of flowers at a trifling cost. Follow these directions and you will succeed. Plant in good soil, give plenty of water and drain well. Let the plant be cool at night: this is an important requirement. A 40 degree to 50 degree temperature is about right. Keep the dead foliage picked off. We offer extra-large, field grown plants; they will bloom continually throughout the winter. Fine plants can be sent by mail; it is best, however, to send them by express when possible, as they arrive in much better condition.

Alma Ward. New white variegated; large and fragrant.

Aviator. The best standard crimson on the market.

Mrs. C. W. Ward. Deep pink.

Rose-Pink Enchantress. Deeper pink than Enchantress.

Matchless. Clear, brilliant white; fine form and very large. Highly scented. Delightful.

White Wonder. A truly wonderful white flower of immense size.

Miss Theo. Rose pink.

Beacon. Dazzling scarlet; very large and full.

Boston Market. Standard white.

Enchantress. Brilliant pink; fine shade; large size.

Victory. Brilliant red, extra large flowers and particularly free in bloom.

White Enchantress. Magnificent large white flower.

Price, strong field-grown plants, 35 cts. each; 3 for \$1.00, postpaid. \$12.50 per 100 by express collect.

Savo Flower and Plant Box

Watered Automatically

The Savo Flower and Plant Boxes are made of heavy galvanized steel, artistic in design, the watering is easy, the drainage ample, the air circulation perfect. They are beautifully finished in Dark Green and will last in constant use for many years. For use the year around.

Tyrian Plant Sprinkler

is essential to success with plants. With it you can quickly sprinkle them. It will keep the foliage fresh and healthy. Throws a spray "just like rain." Its value is so apparent that once secured, you will not be without it. **Postpaid, 90 cts. each.**

Sulpho-Tobacco Soap

For sure, easy and immediate extermination of all insect life on plants, trees and animals, Sulpho-Tobacco Soap is a matchless preparation. Will not injure the most tender plant. It dissolves readily in water, and may be applied with a Tyrian Sprinkler. **Prices, 3-oz. cake, 13 cts.; 8-oz. cake, 28 cts., postpaid.**

Special Offer The "Tyrian" Sprinkler and a 3-oz. package of Sulpho-Tobacco Soap for \$1, postpaid.
